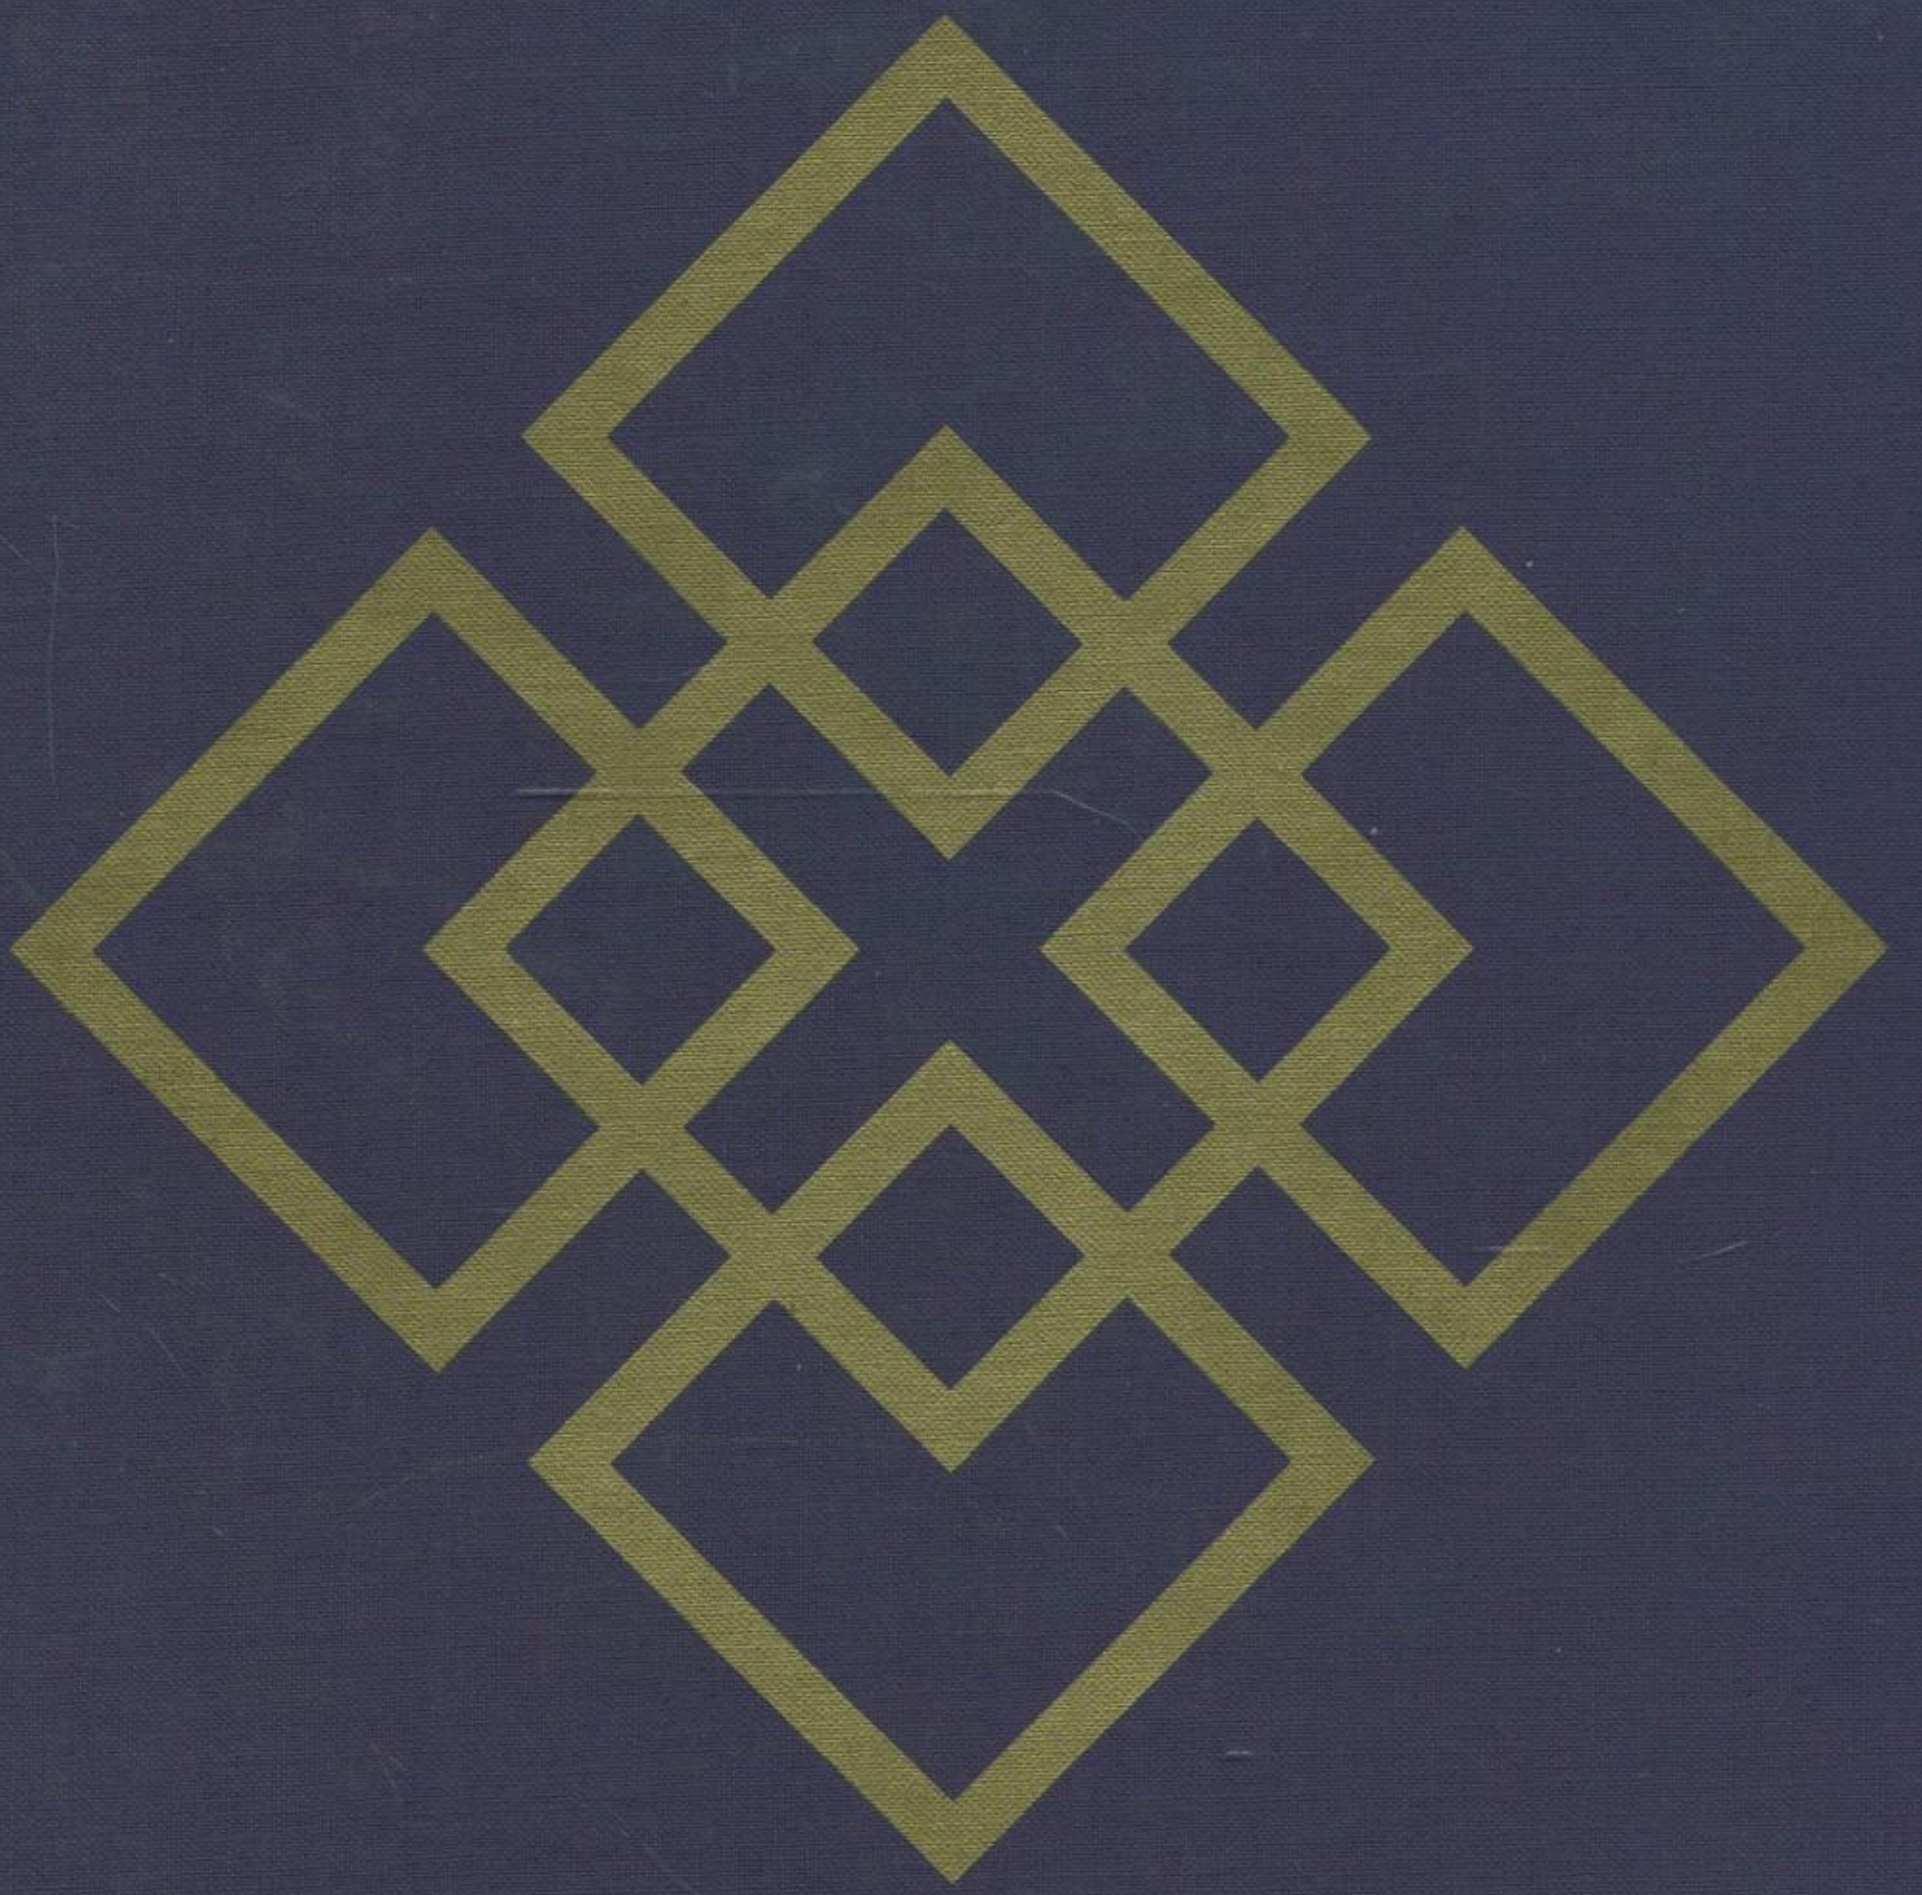
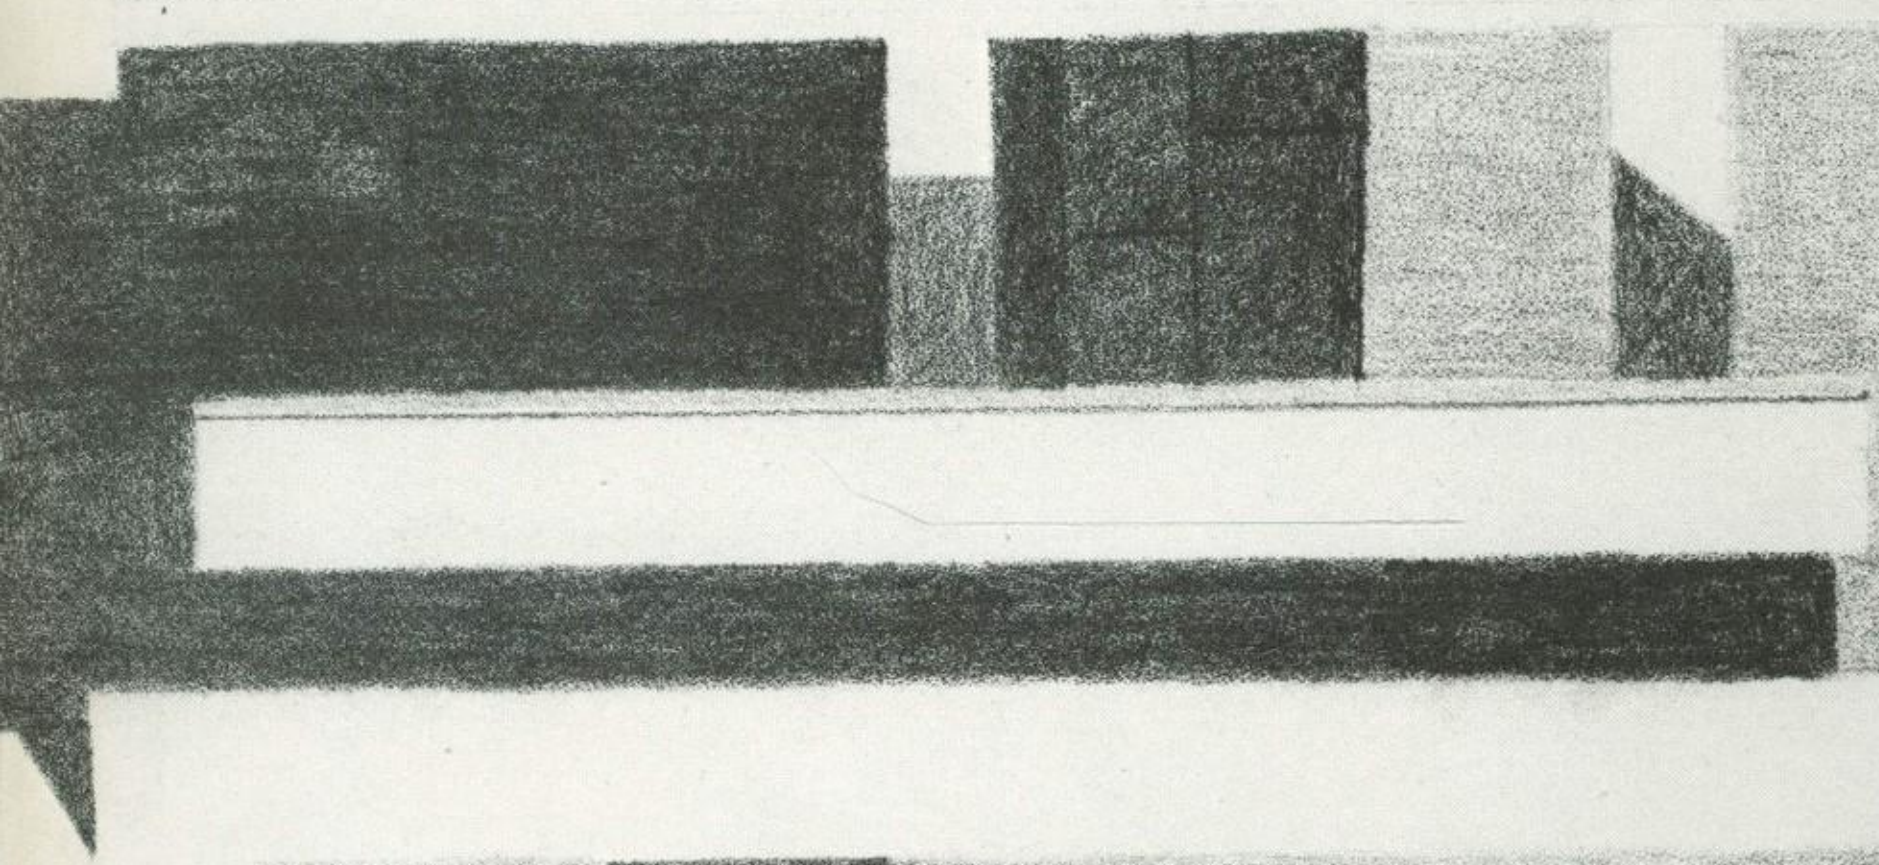
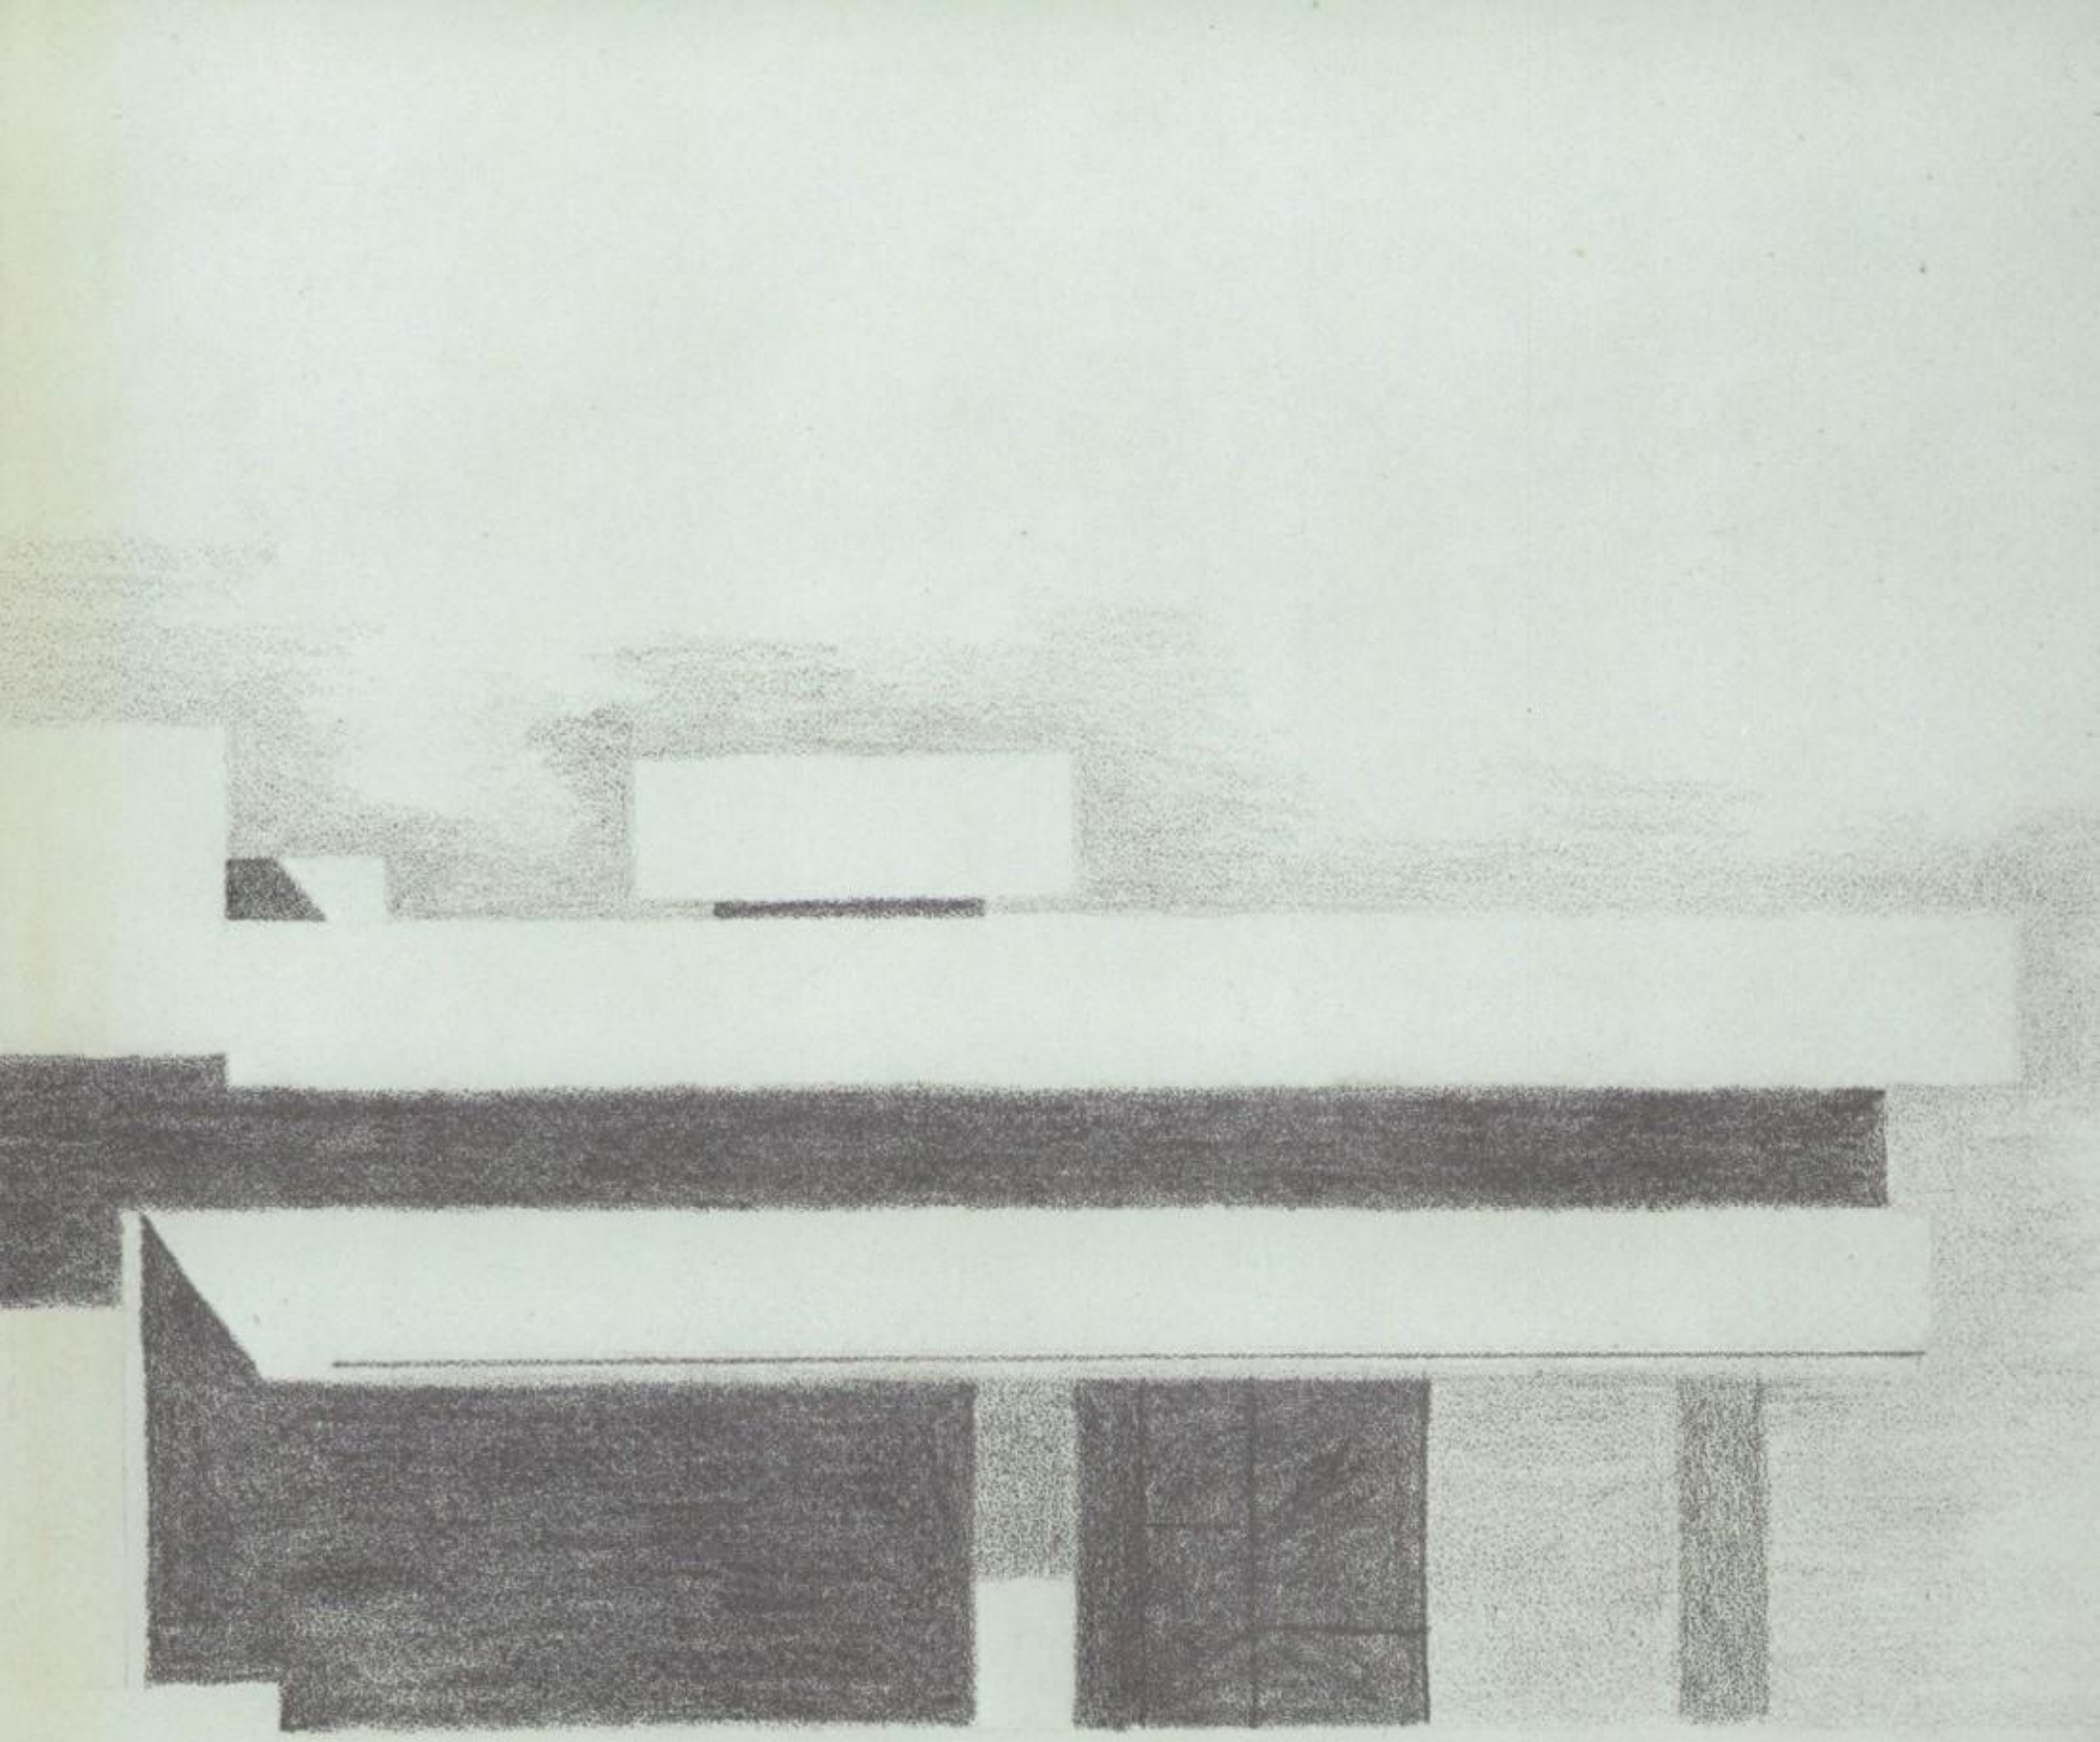
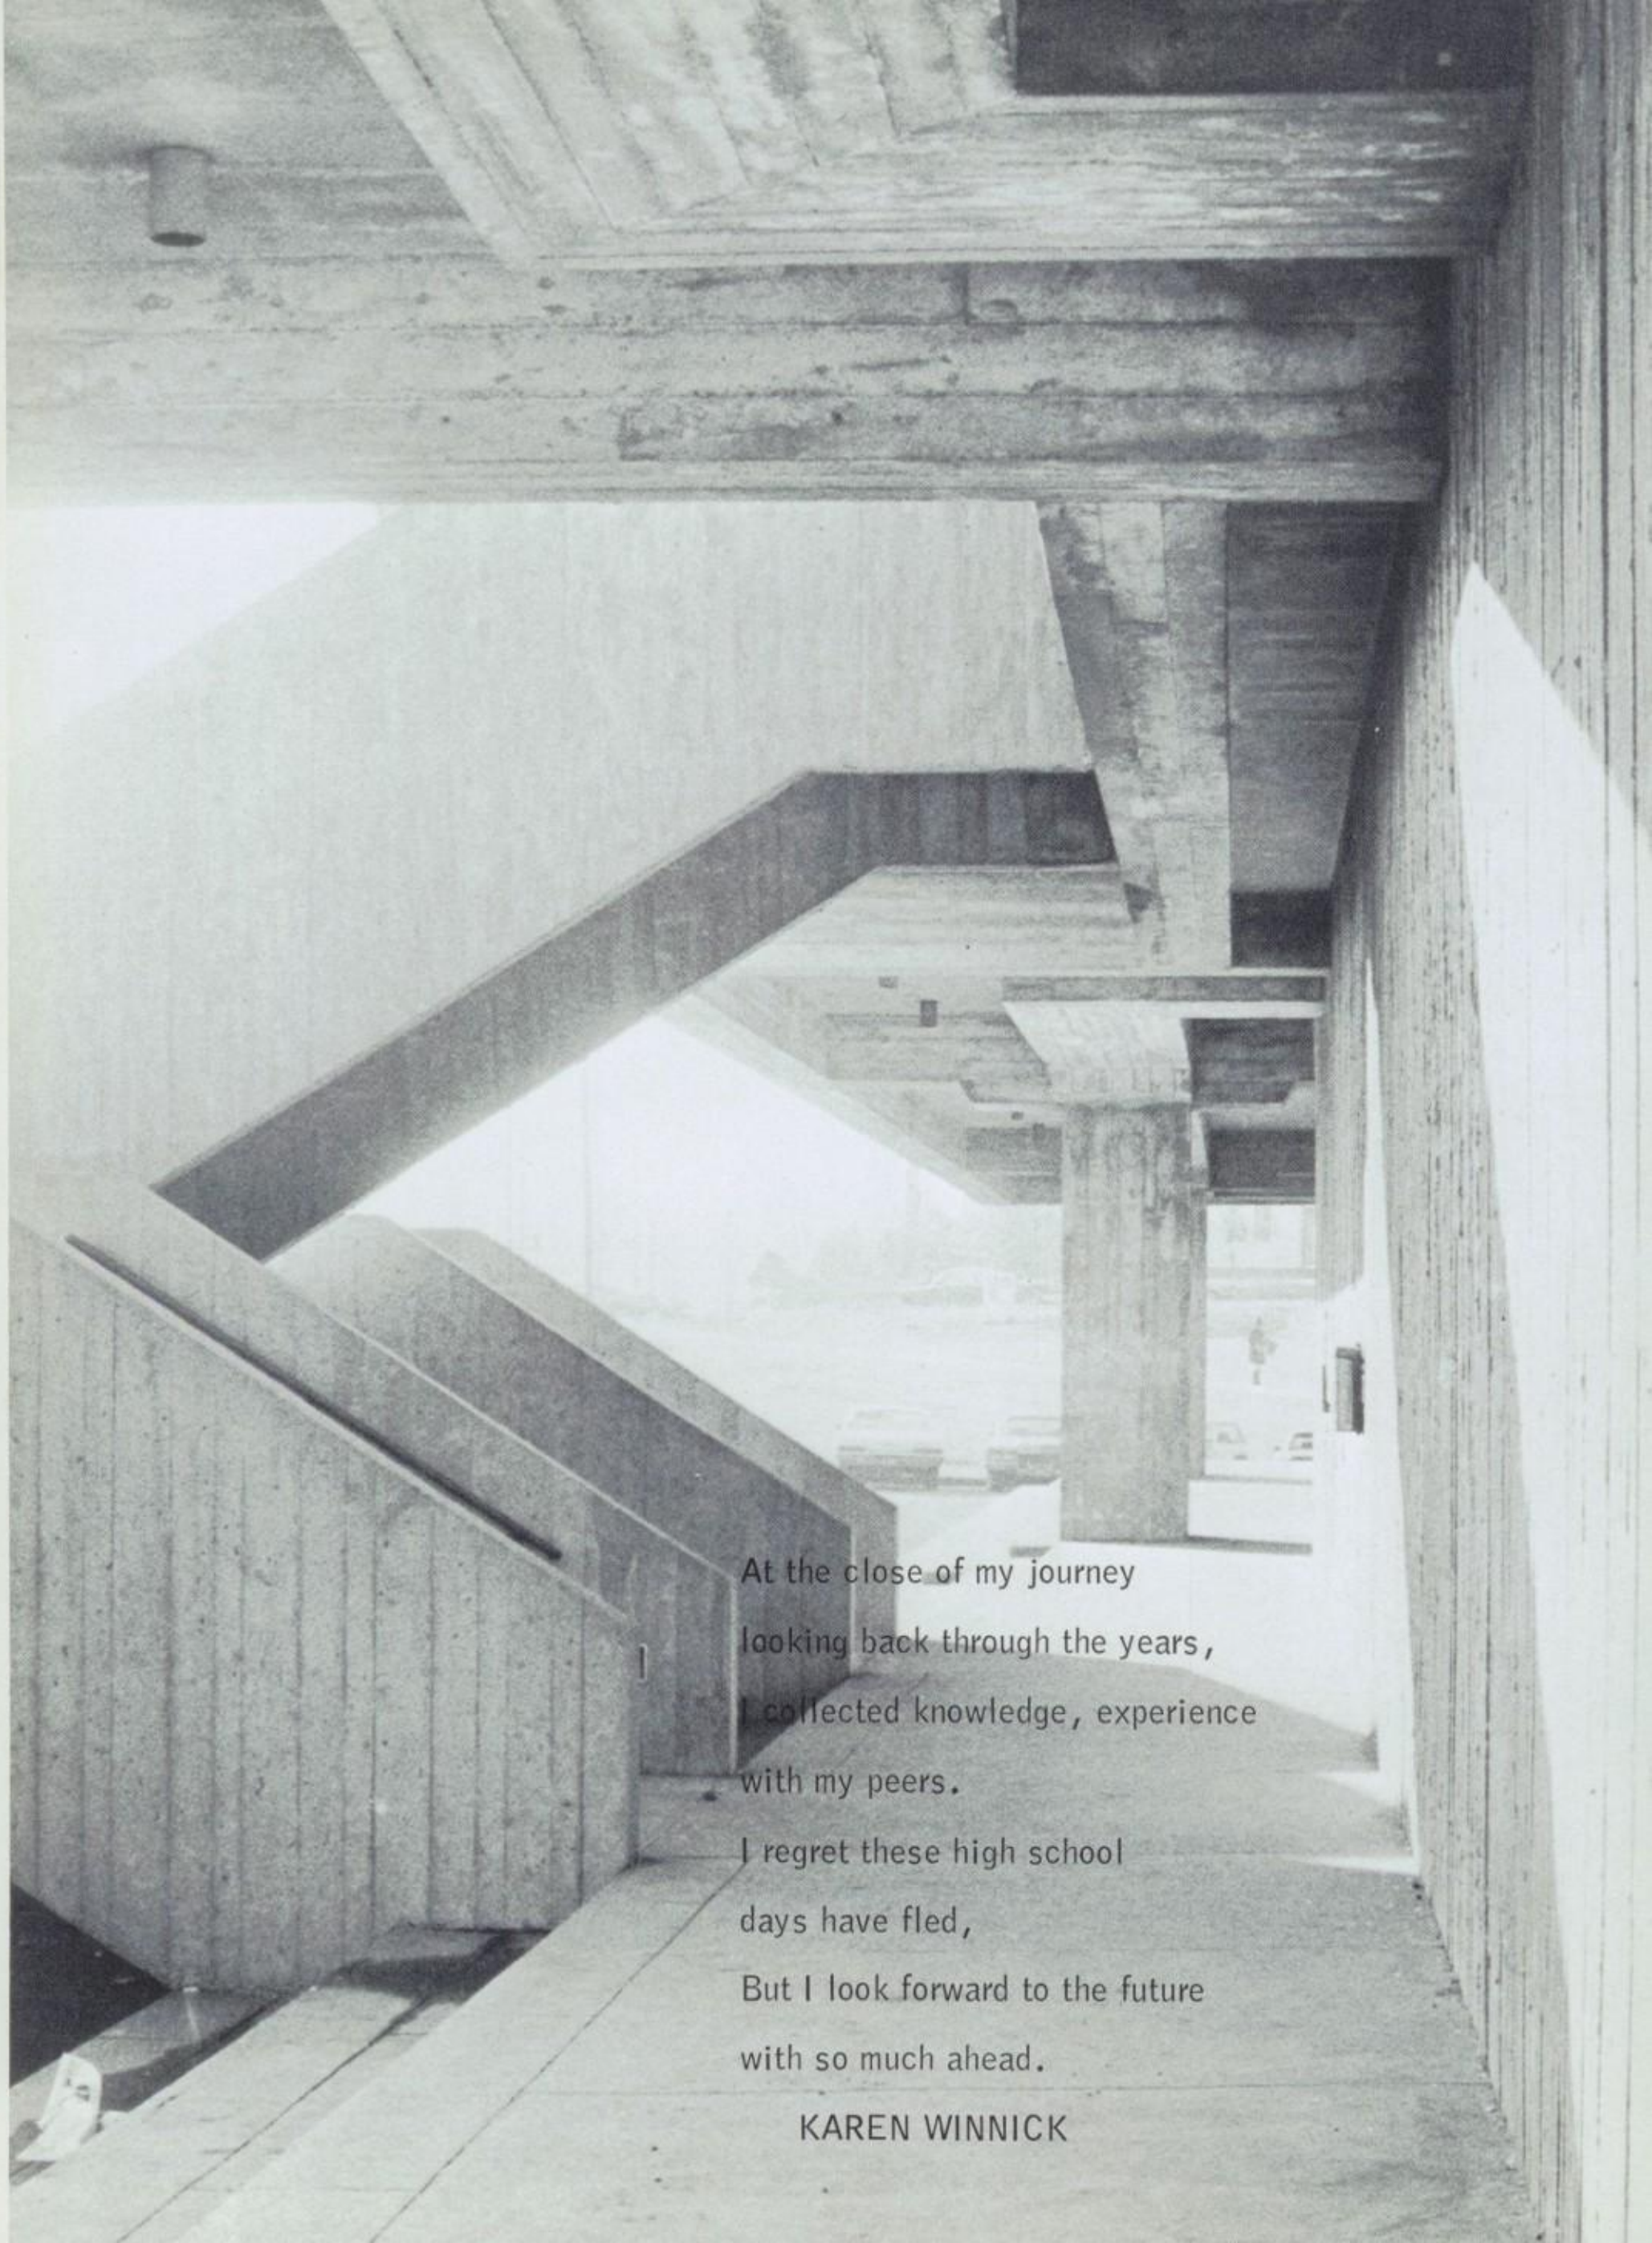
QUADRUM



75







At the close of my journey
looking back through the years,
I collected knowledge, experience
with my peers.
I regret these high school
days have fled,
But I look forward to the future
with so much ahead.

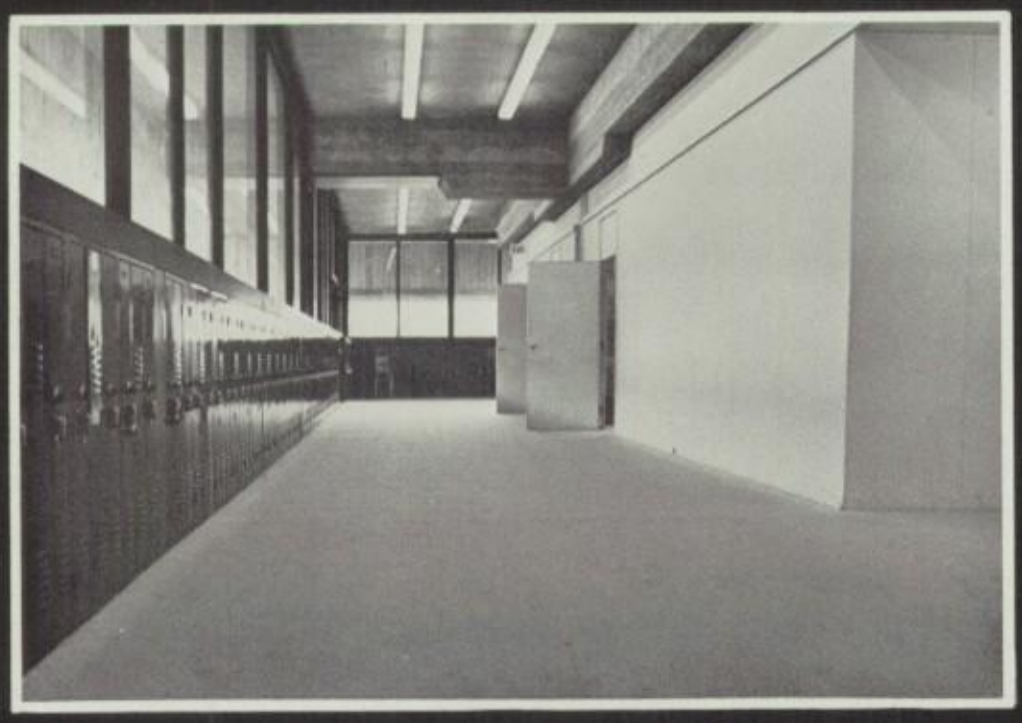
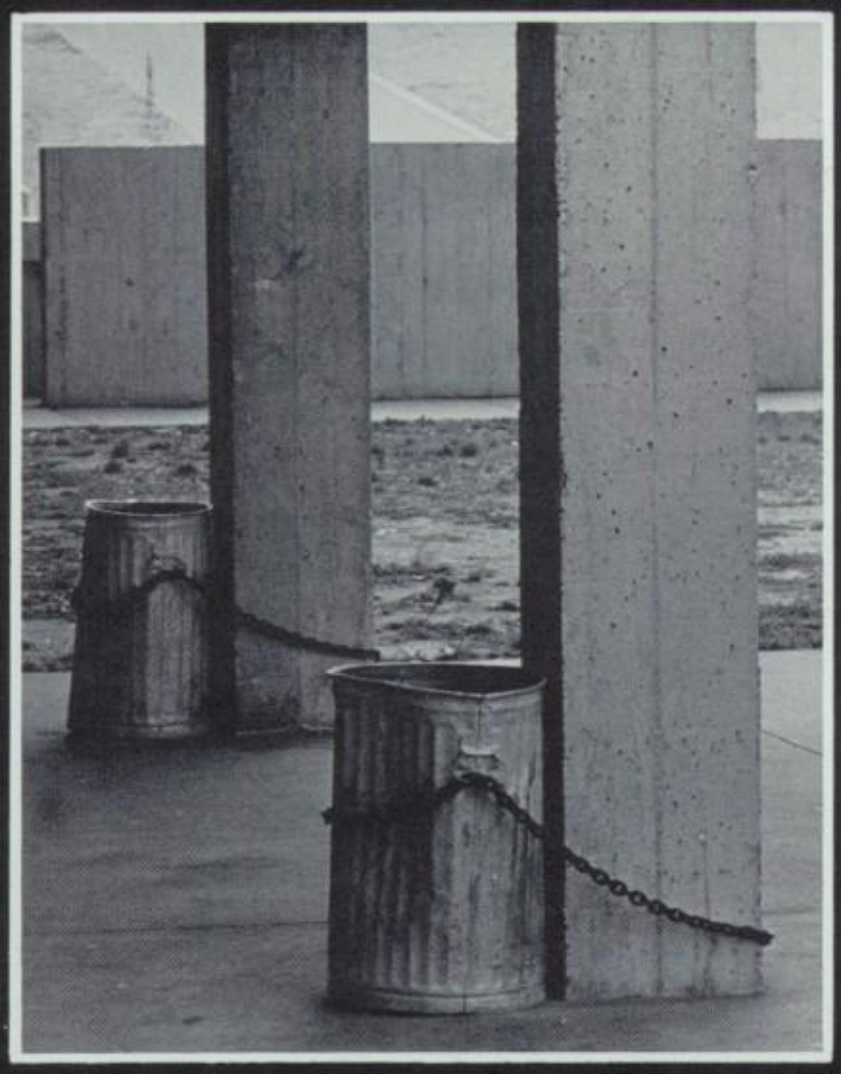
Afterthoughts . . .



Lee is a cold outer shell opening its doors to the warm feelings inside.
TONI THOMAS

I came to you alone and afraid-
A frightened mouse in a concrete maze.
All I saw were sullen, unfriendly faces
And closed doors.
But the walls have disappeared
And everywhere I look the doors are open
And smiles greet me.
Now I feel like a child in your warm, safe womb
So afraid of the cold, unknown world
That you are opening your doors to me.
I'll miss you when I go.
SARAH McNAMARA

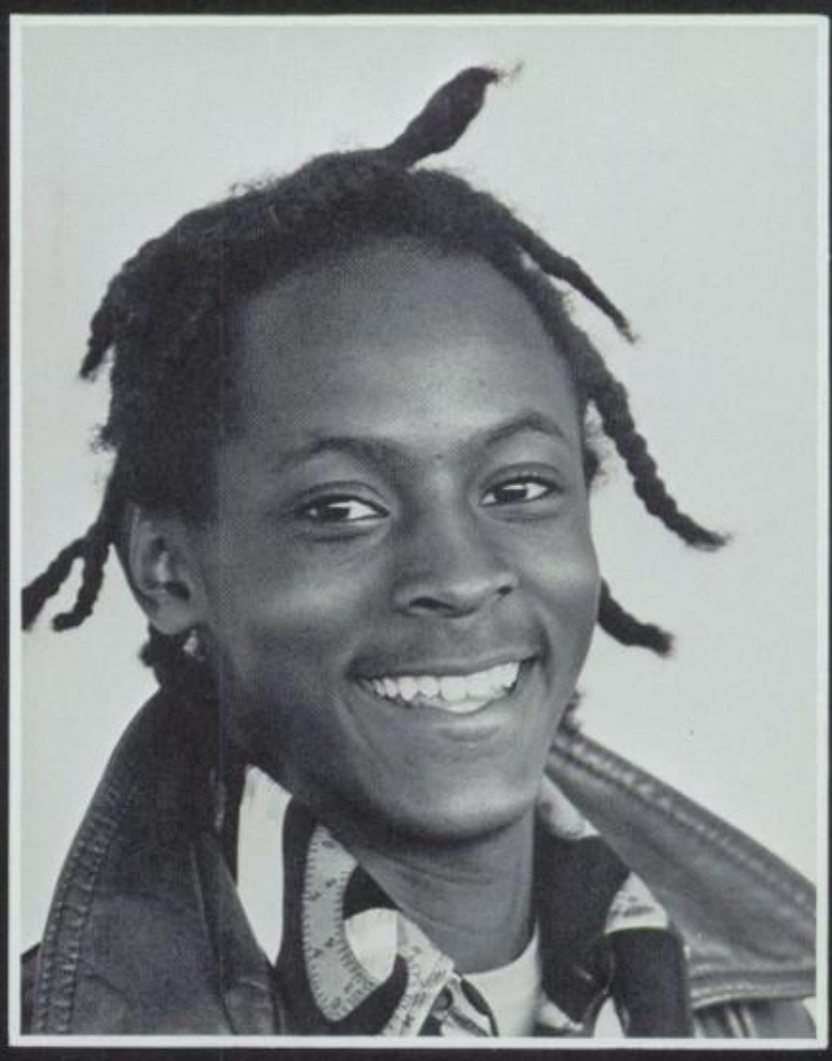


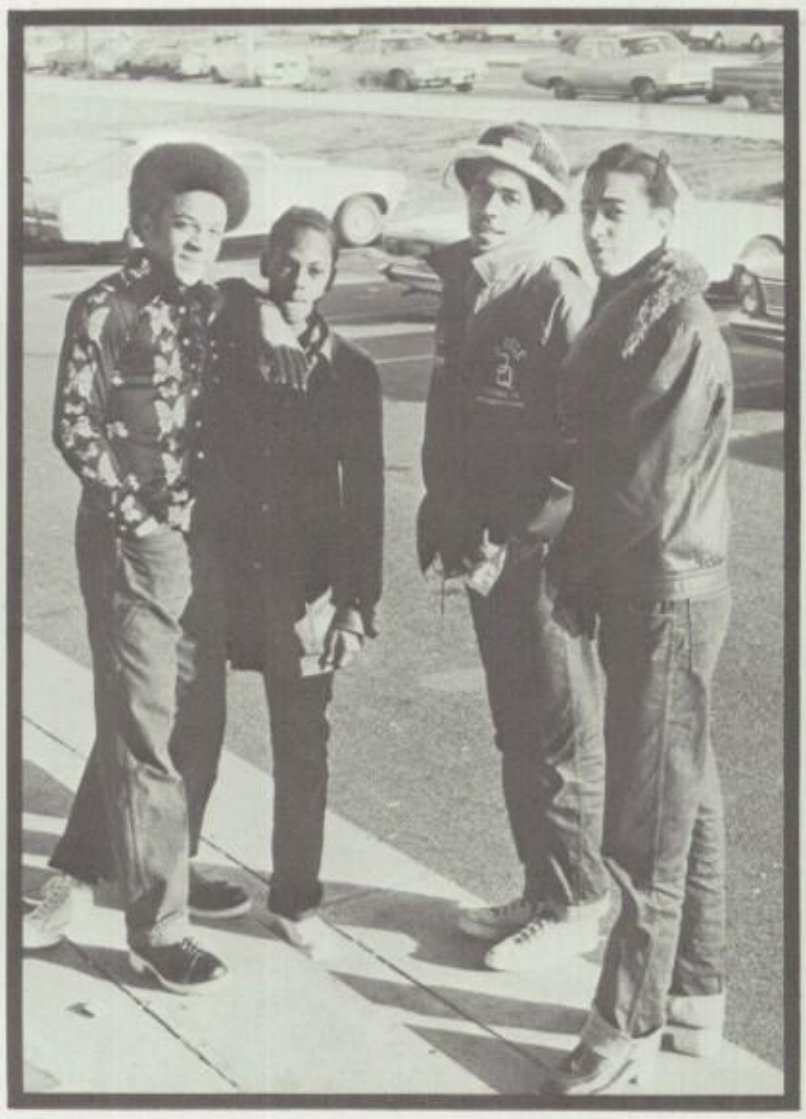
Lee is an experience that I'll never forget. It has been a period of change in my life. The change from a sheltered, private school to a big city high school was frightening. The adjustment was very difficult for me, but I'm glad of the change now. The school has grown on me, and I will be sad when I leave.

ANONYMOUS

Lee brought me out of my shell;
It has opened new doors
And ushered in a promising future.
In past - before my years at Lee
There was an "unsure" feeling inside
But then- with my adjustments to a
New atmosphere- I feel more certain about
me...
and who I am!

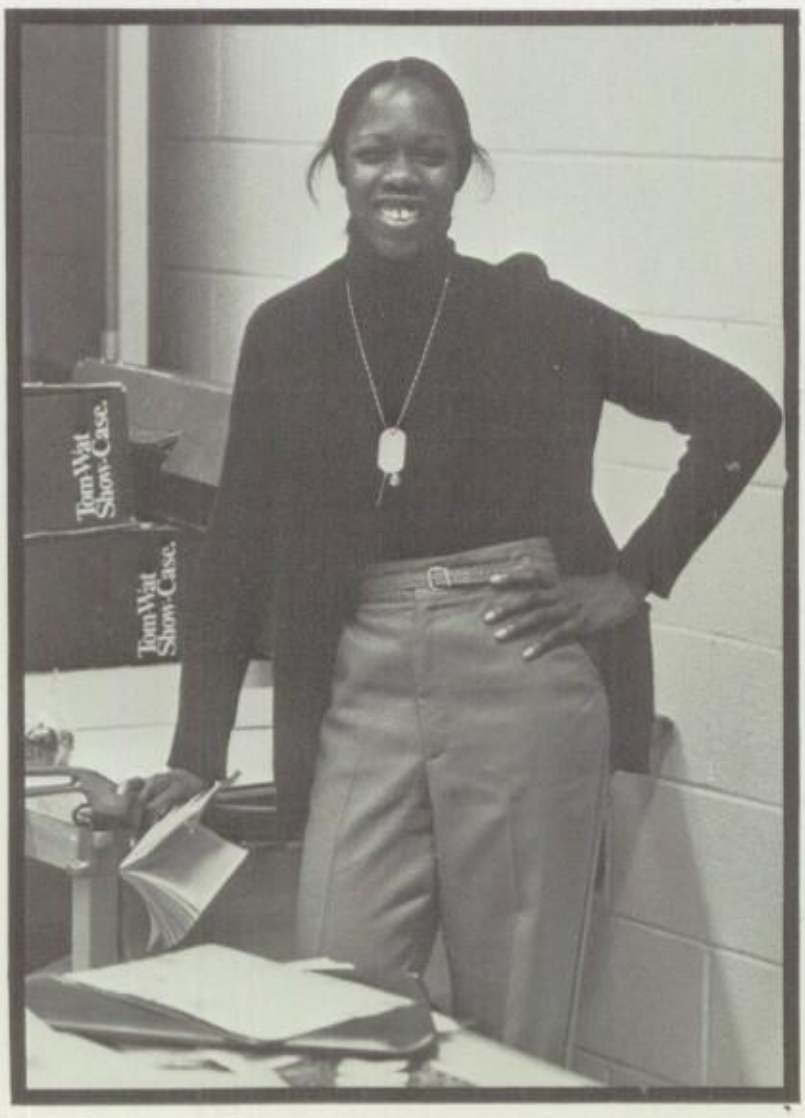
SHELLY LADEN





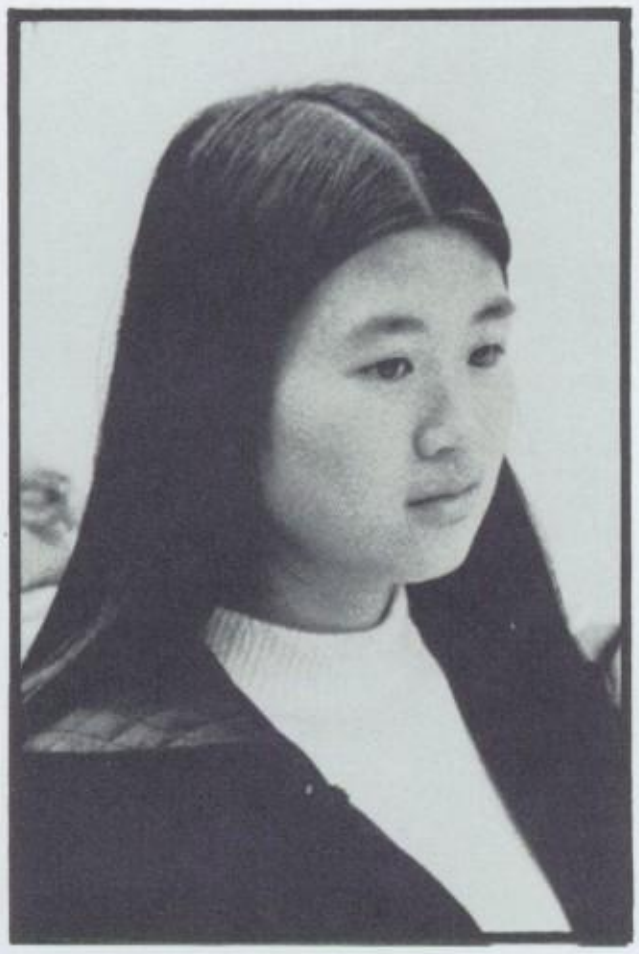
How I feel about Lee...it's an unmatchable learning experience. Not really in the classroom but in the halls, from the people, teachers, and fellow students. You learn more from the people than you could ever learn from the black board.

JEFF BILGORE



Lee High is comprised of cultural shock. The different racial, ethnic and religious groups work together. Sometimes we don't unite totally, but we give it an honest try and hope to gain and learn from each other.

DEBORAH BURNS



What is Lee High School to me? Lee High School is a place where I come to learn and meet new people. Lee High School is a place where I can be in with the other people. To me Lee High School is a place at which I can have many opportunities to become someone. At this stage of my life Lee High is the best place for me to be.

RUSSELL WILLIAMS

School is part of my life. Especially Lee High School. It gave me a big help in my new life.

When I first came to the United State less than two years ago, I didn't know much English, and it was very difficult for me to live in with my English problems. So I went to Lee High School and started to learn there, in order to solve my problems.

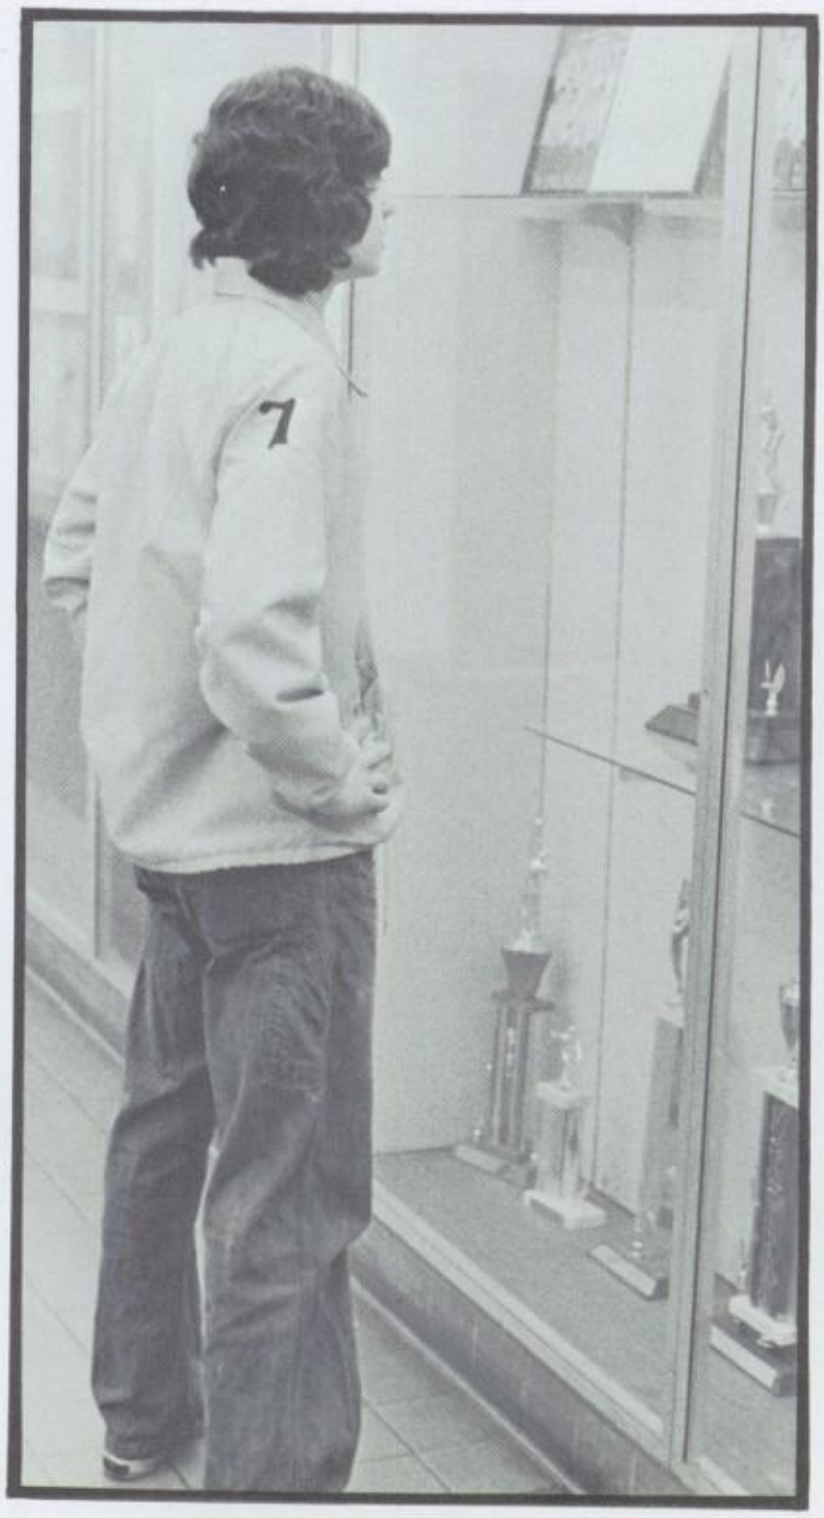
Lee High is a great helper to me. It gave me a chance to learn English and study the subjects. It is one of the reasons I like this school. They are completely different from Hong Kong Schools. Hong Kong students have to accept fourteen subjects to study per year that the school gave them. No matter whether you're interested in the subjects or not, you have to study them. If you fail two or more subjects per year, you have to stay back and study the whole fourteen subjects again in the next year. It usually made the students to memorize things, not to understand how things work.

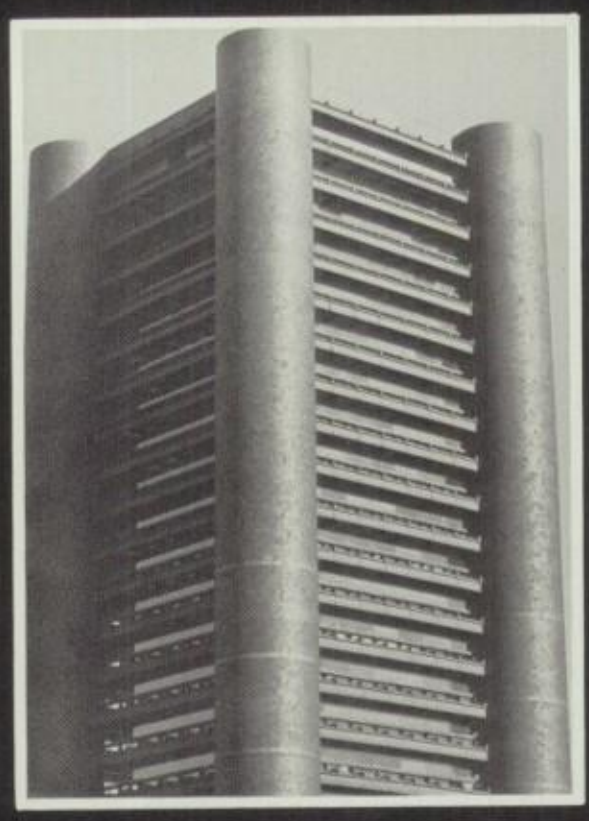
The second reason I like Lee High School is there are many good teachers and classmates. They always like to help me and gave me strength on things.

Going to Lee High School the feeling in my heart is free, because in Hong Kong you couldn't find a school like that, so free in speech, studying and wearing etc.

Above all, I would say Lee High is one of the schools I like. I hope I can spend my last year of studying satisfactorily in Lee High.

YUK HA LEE



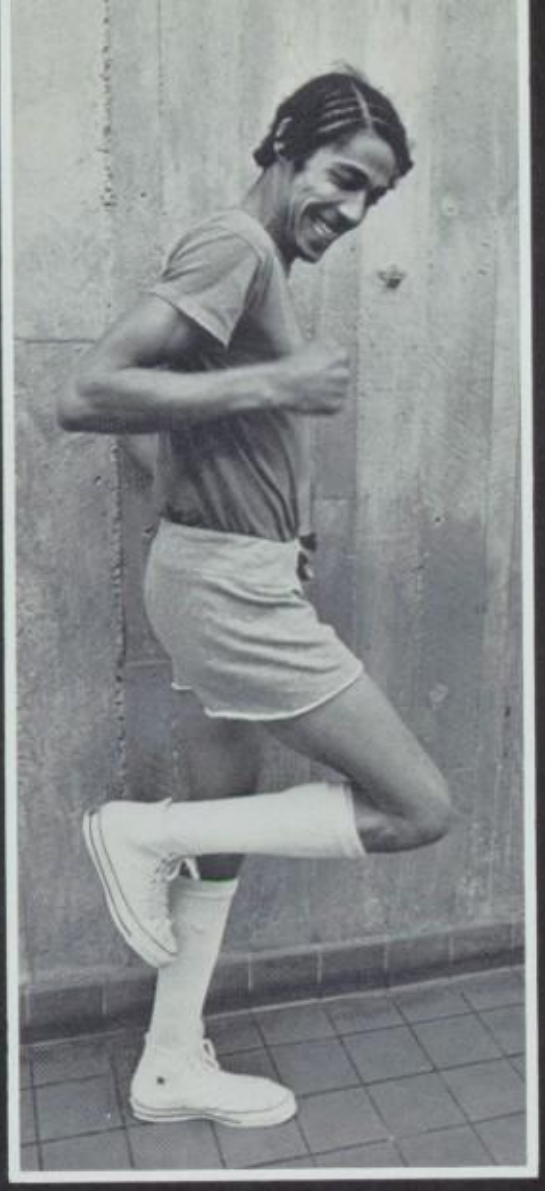


THE CITY I LOVE

I can't really understand,
Why I love you.
You're dirty, grimy, and fearful.
You crowd my thoughts.
And worst of all, I must
Share you with others.
But I can't leave you.

Because wherever I go,
I smell your perfume, feel
Your vibrations and know that
Right or wrong, you may not
Be mine, but I am yours.

BRENDA ESPOSITO



Lee is fulfilling your gym requirements at graduation.
ANONYMOUS

Lee High is wondering who's buying and who's selling.
JoANN RUBINO

Lee High is made up of Super Subs!!!
ANONYMOUS

Lee is being called a freshman in your senior year.
ANONYMOUS

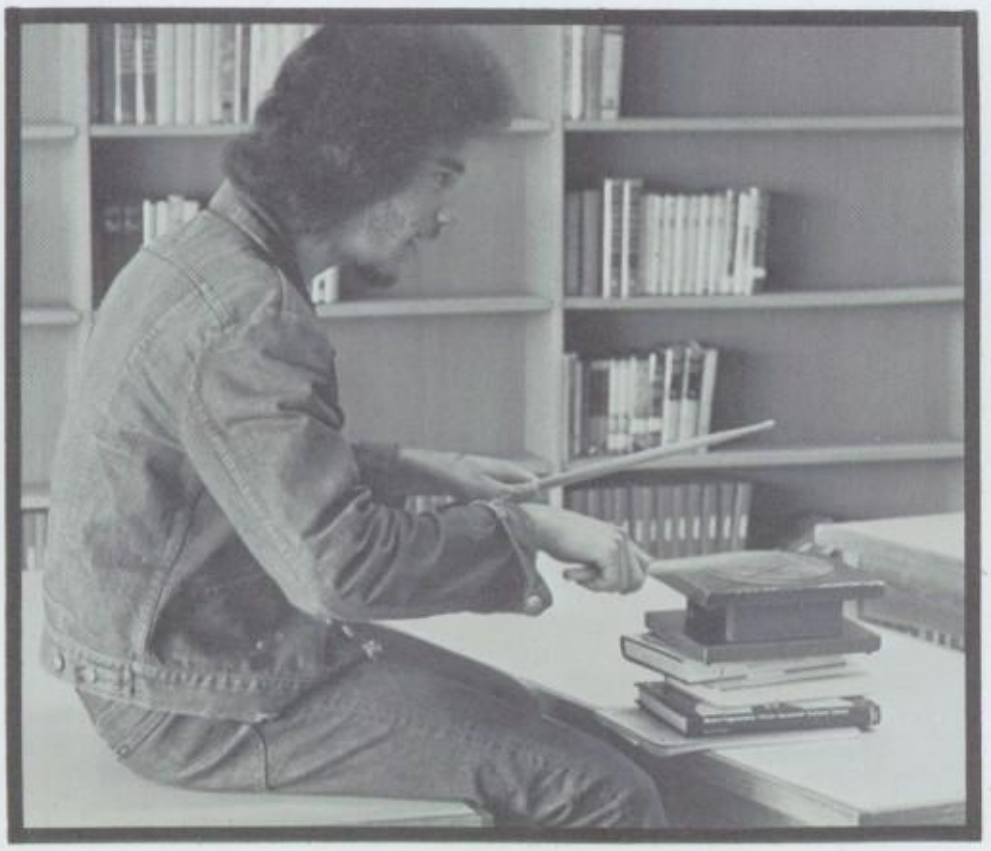
Lee High School is a learning experience you'll never forget.
STEVE ARRICK

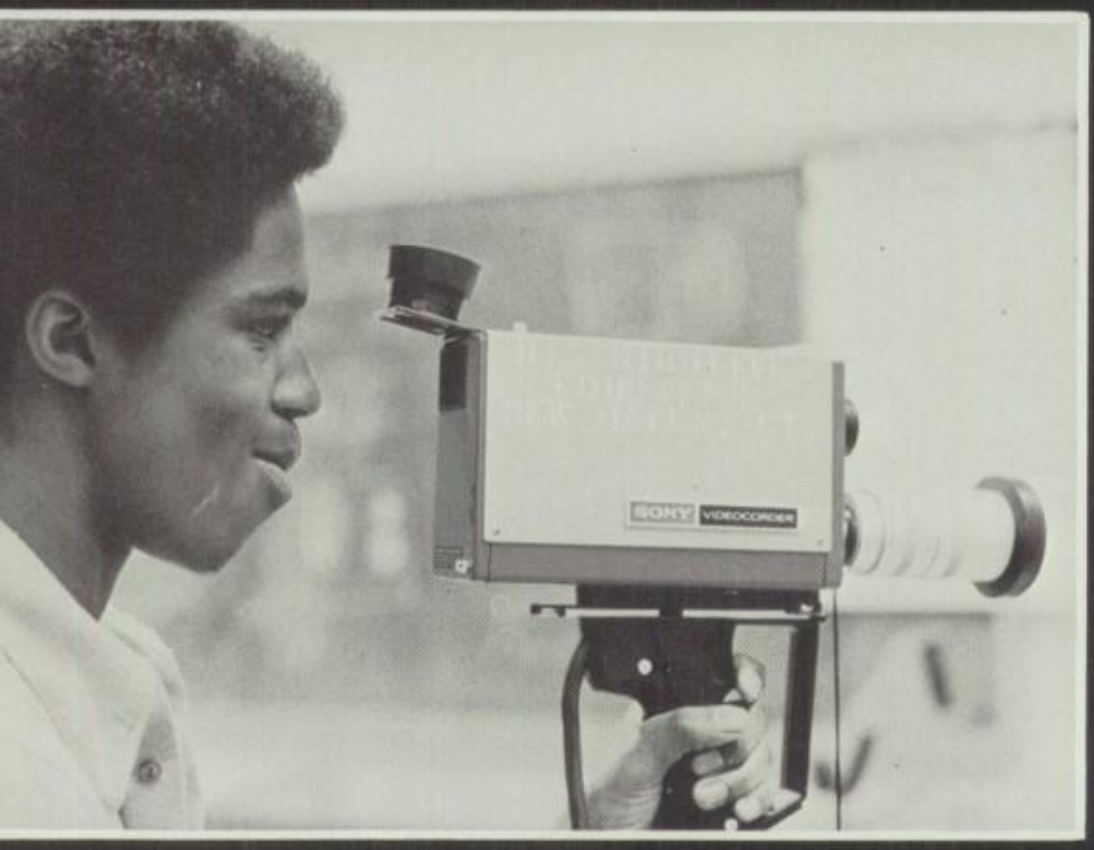
Richard C. Lee High School, you are so familiar, maybe too familiar. In the fall of 1971 I feared you. I was afraid because you were so big and strange and different from what I had known. But then you became a part of me. Through you I have gained not only the knowledge provided by your teachers, but also that of life and what it means. Now my friend, you are no longer strange, and I am no longer afraid. I know you and I'm happy to have met you.

EDITH GOULD

What is Lee High?
It's all races,
all religions,
all peoplekind,
working, learning and discussing,
All striving for achievement
in a building that isn't just a building.
It's caring and sharing,
four years of our lives,
It's Lee High.
JOY COHEN

Lee is to me a gayful jamboree,
where people unite Black, Puerto
Rican, and White.
JEANNETTE JOHNSON

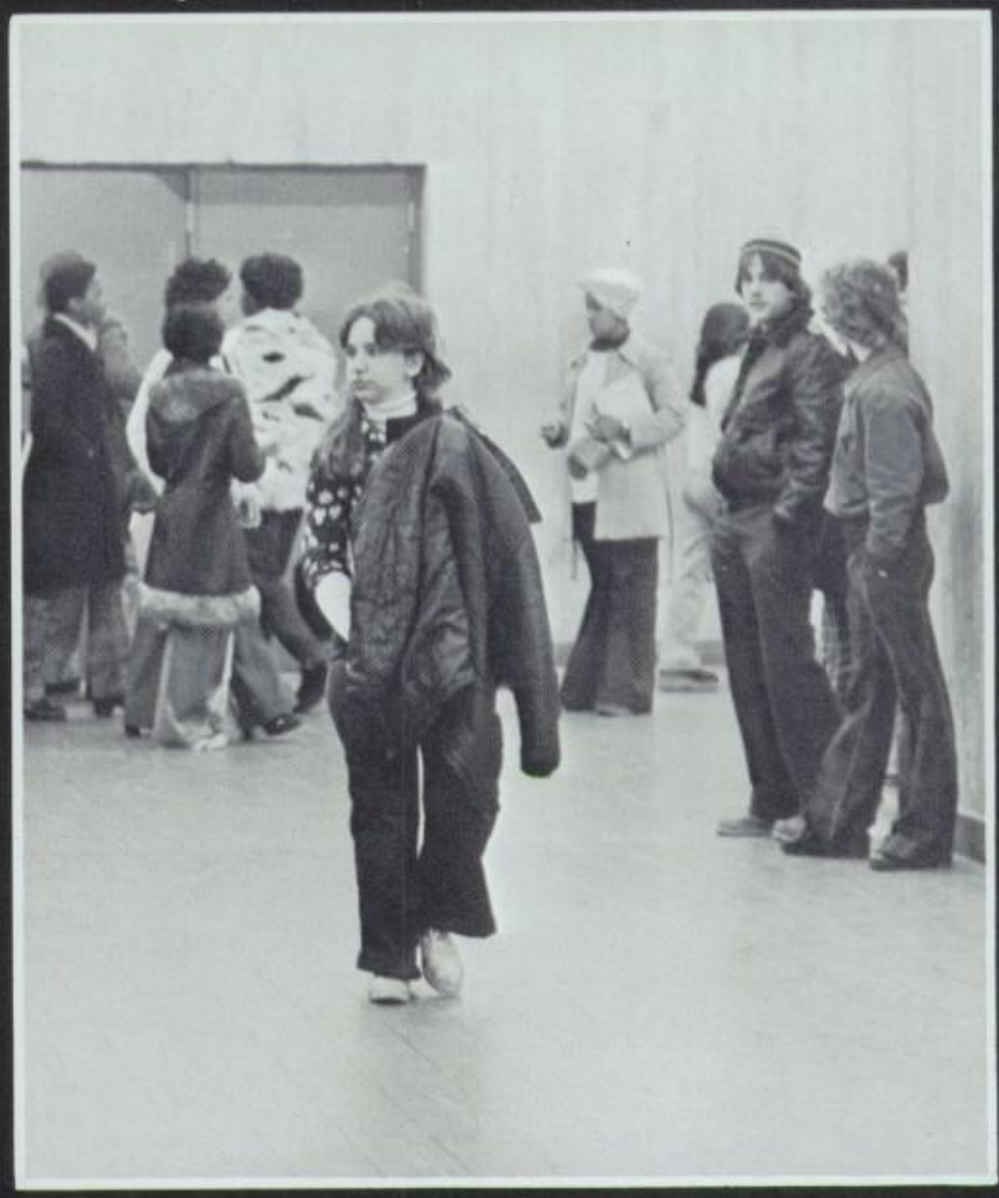




Lee is a school where you learn what you want to learn only if you want to learn it.
JERILYN KOLBIN

Lee High could have been better, but so could have I.
DAVID NOVICK

Lee is made up of kids who want to learn and are anxious for an "A" in every subject, also they are anxious to leave for home.
HENRY TORNIERO



Lee is crowded hallways.
MARYANN VENDETTO

Lee is like a playground away from home.

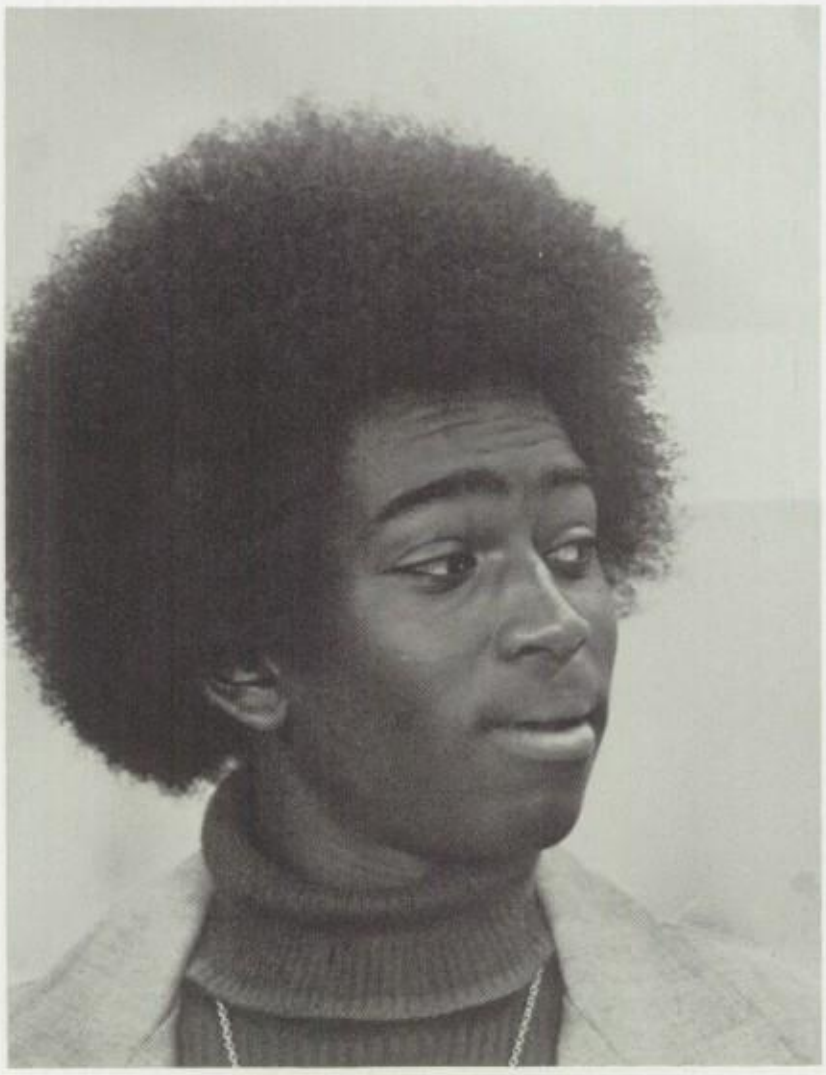
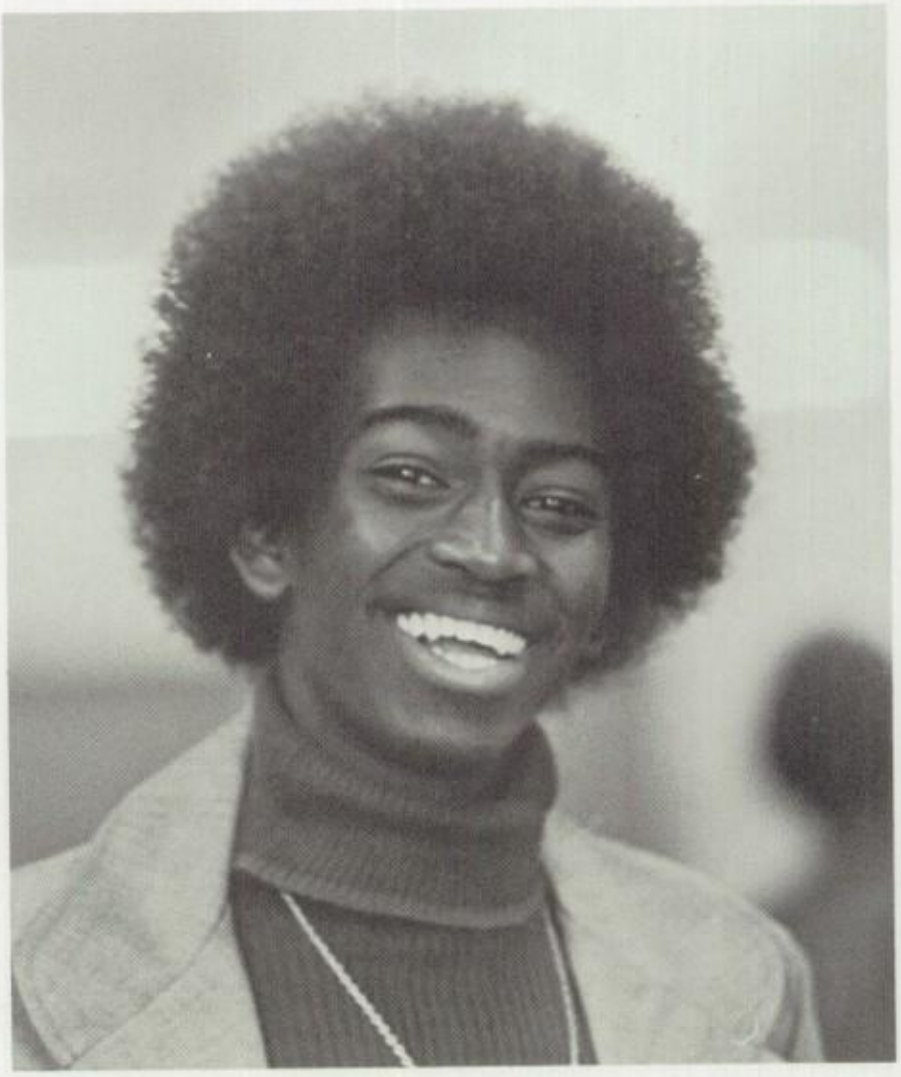
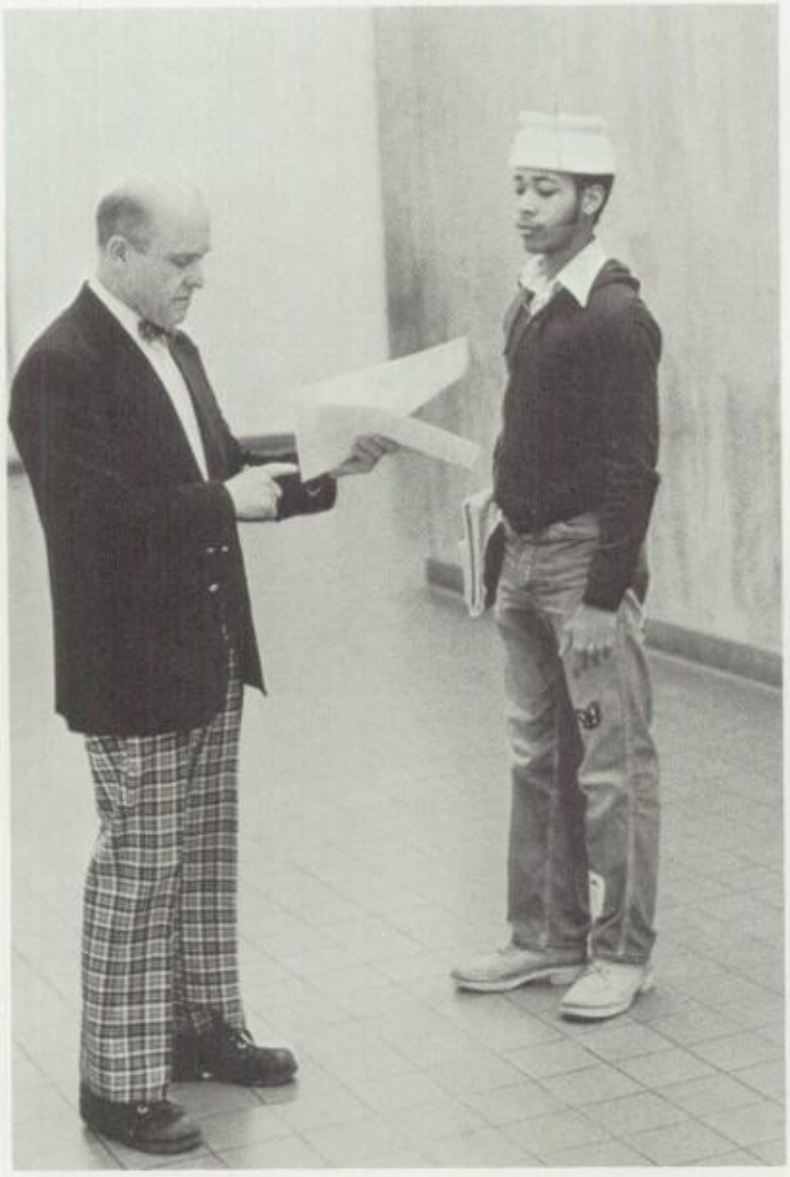
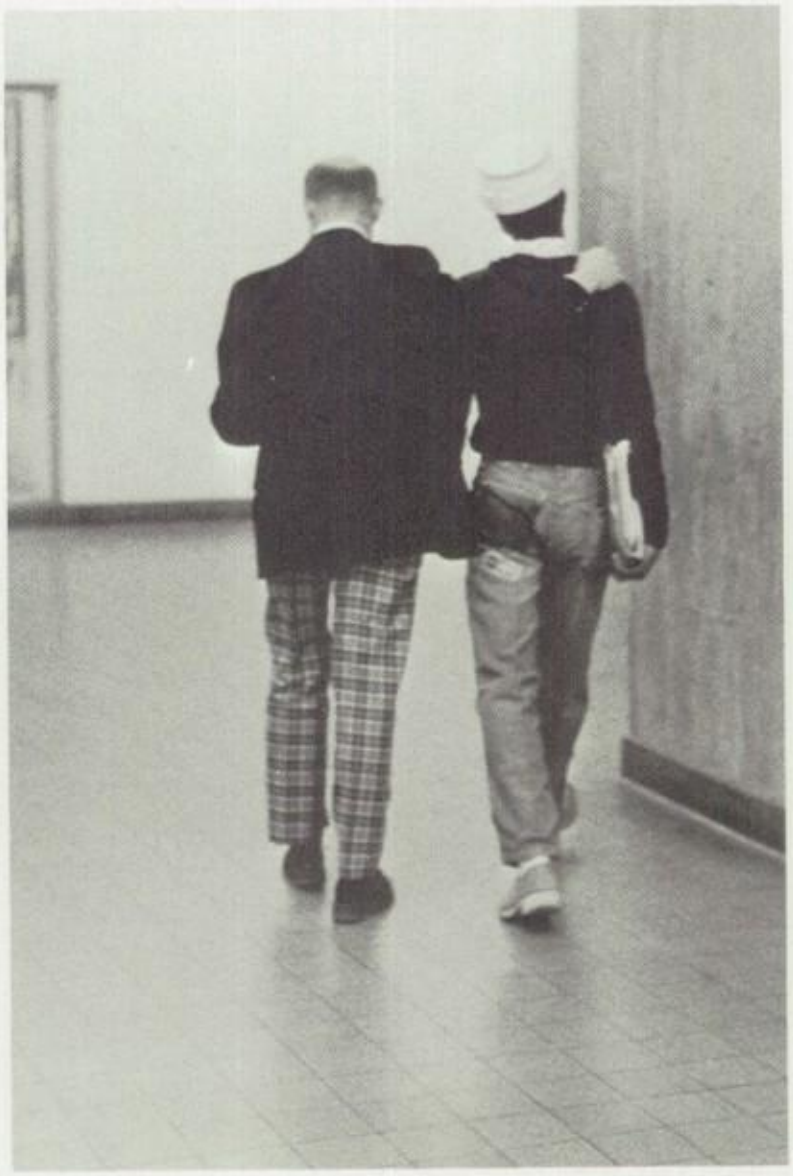
STUDENT LIFE



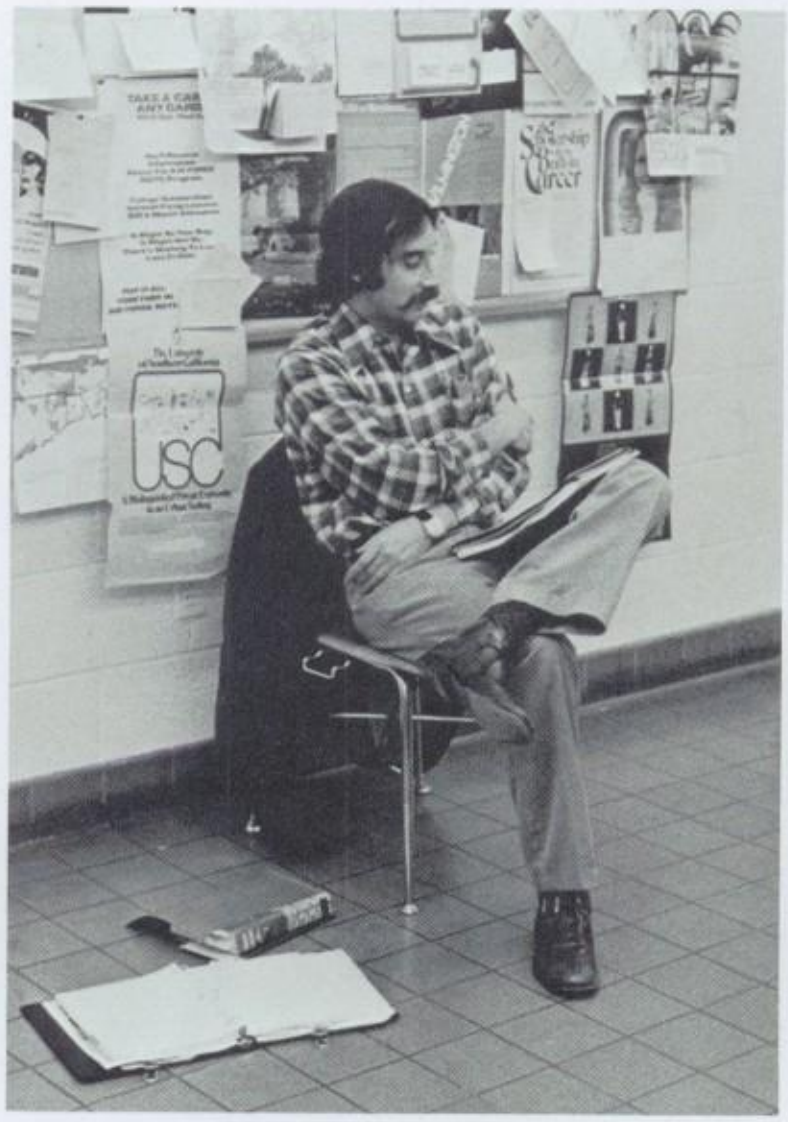


Twinkle, twinkle little STAR





A Prince-of-a-PAL

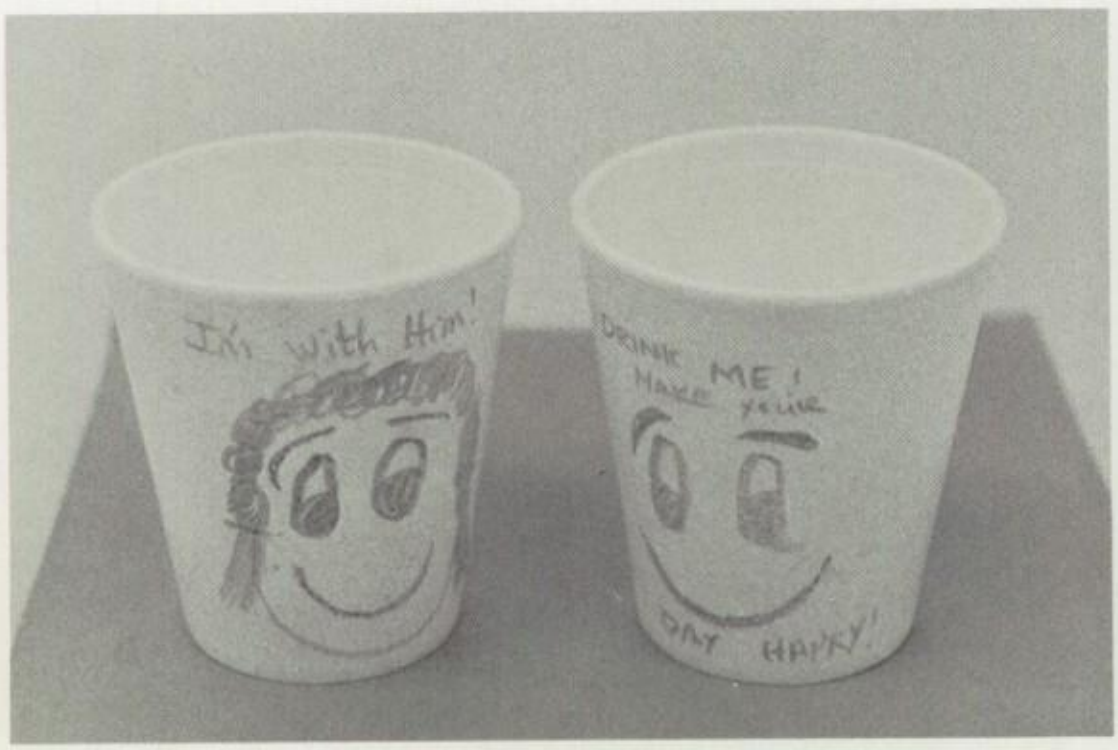


The phantom returns

"Oh no! I forgot I'm camera shy!"

"Alone at last!"

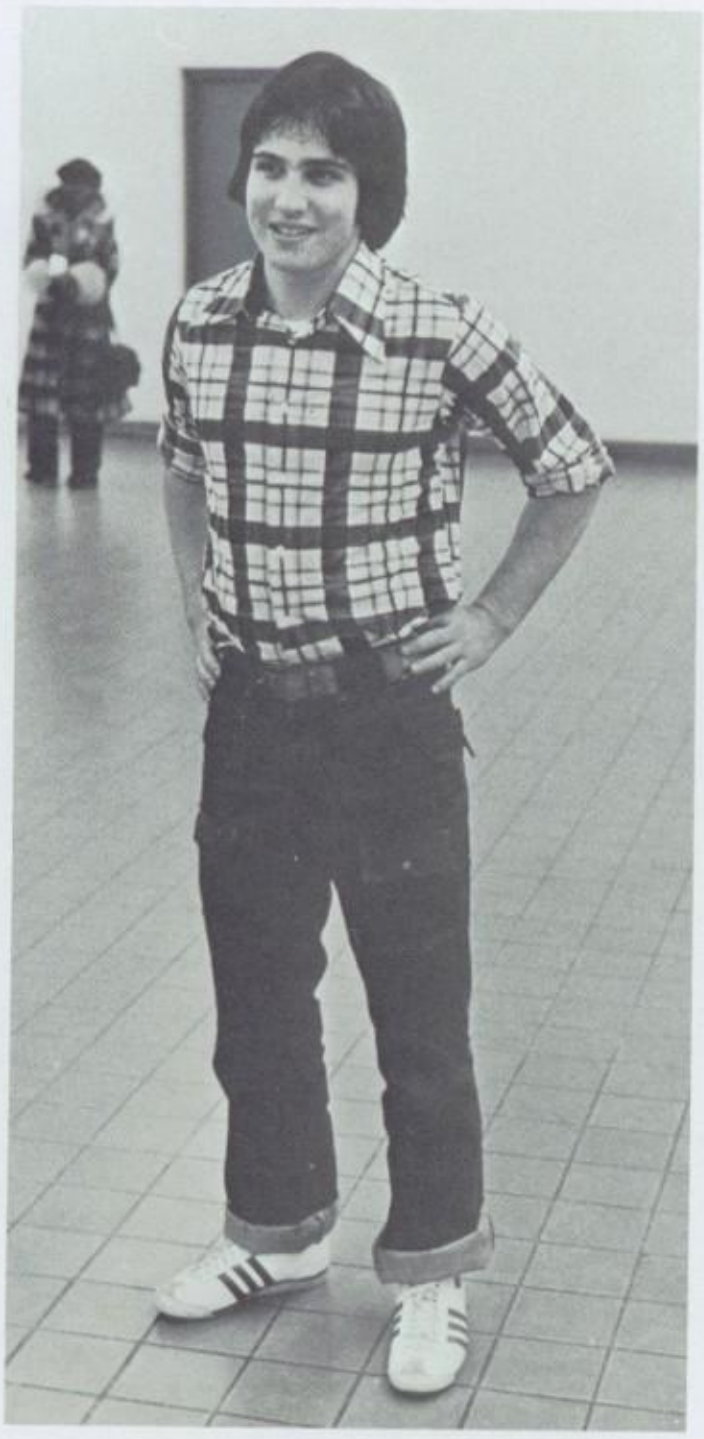
"A little excercise never hurt anyone."



"We really shouldn't be meeting like this."

"One picture is worth a 1000 words."

"Who you lookin' at?"

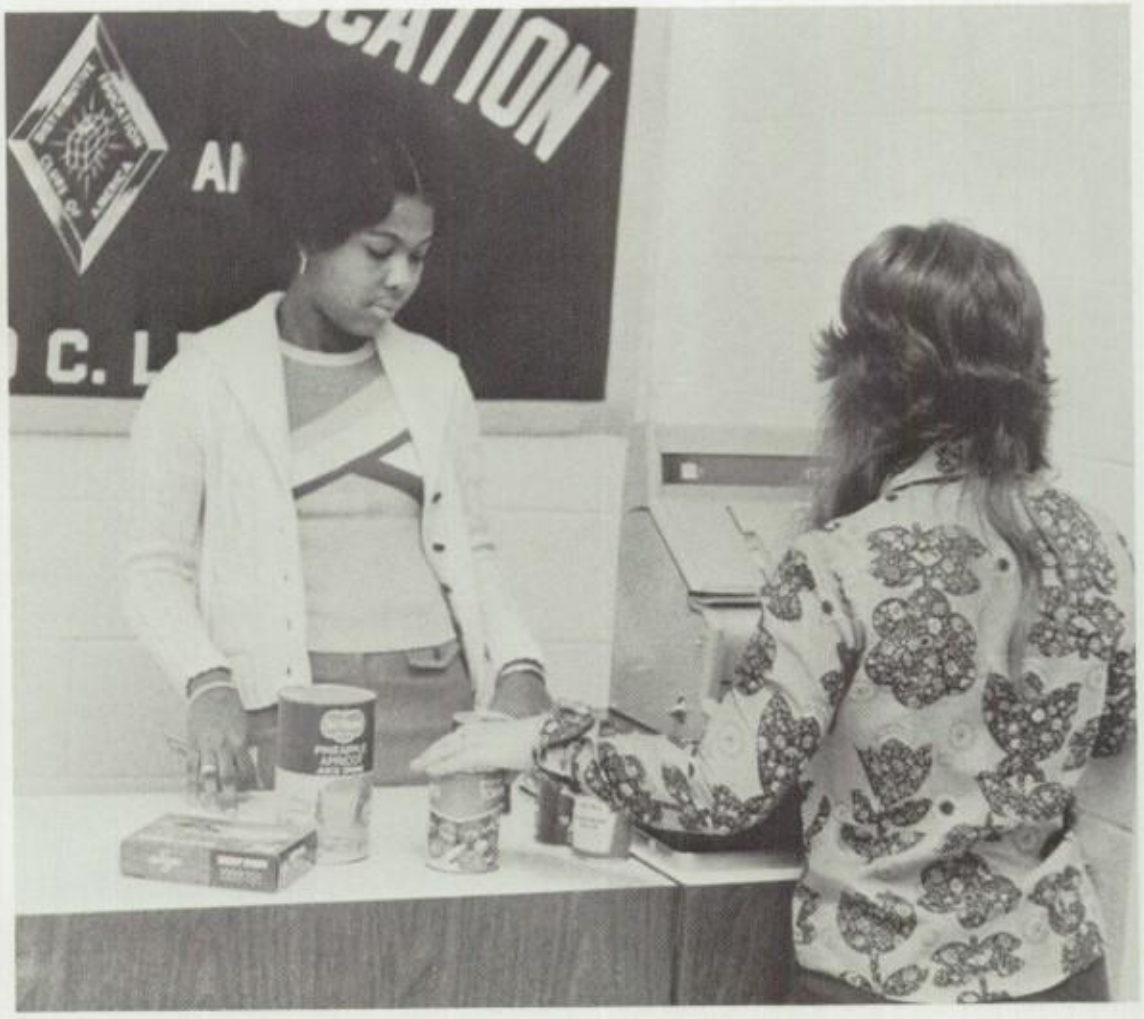


...Watching all the girls go by.

"Tennis anyone?"

"Hi, there!"

"This is my best side."



"Sorry, we're all out of answer sheets."

"Sure is lively out here."

"The winner and still champ!"

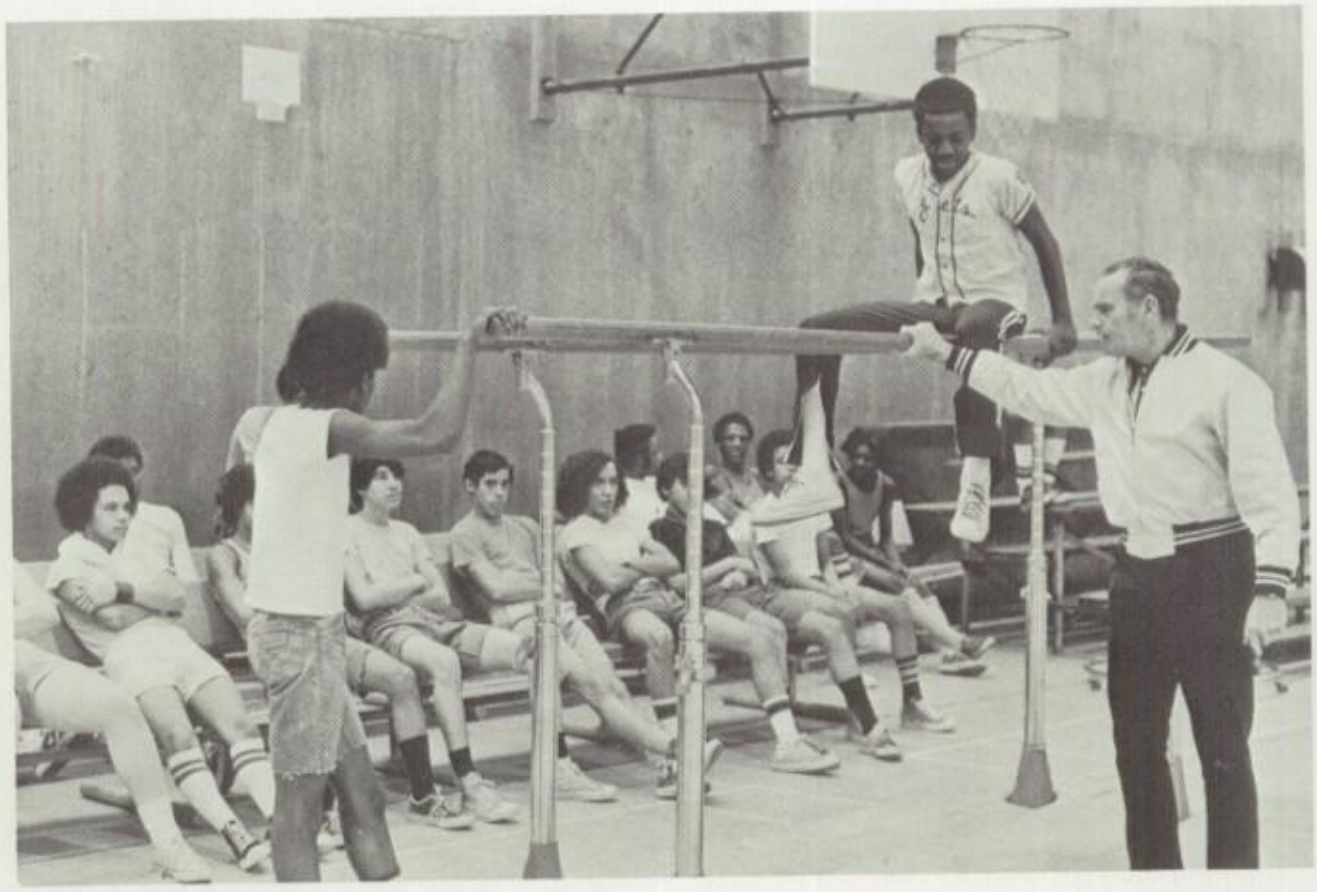
Cruisin' in the 70's.

"Who wears the pants in your family?"

A kick in the right direction.

Pillars of 'Leé'.

"Are you following me?"



"Help!"

"We can fit one more in the trunk."

"Everybody's a critic!"

"I'm just your average ladies' man."

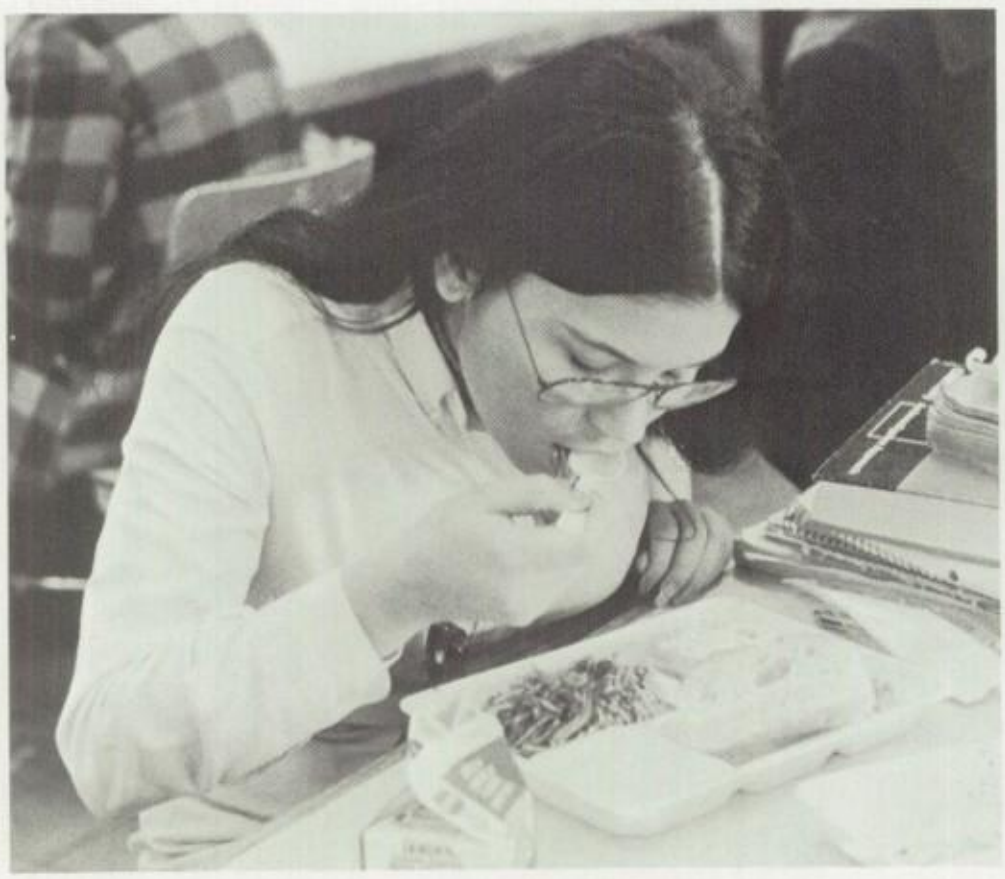
"Checkers, anyone?"

"V-e-e-ry Interesting!"

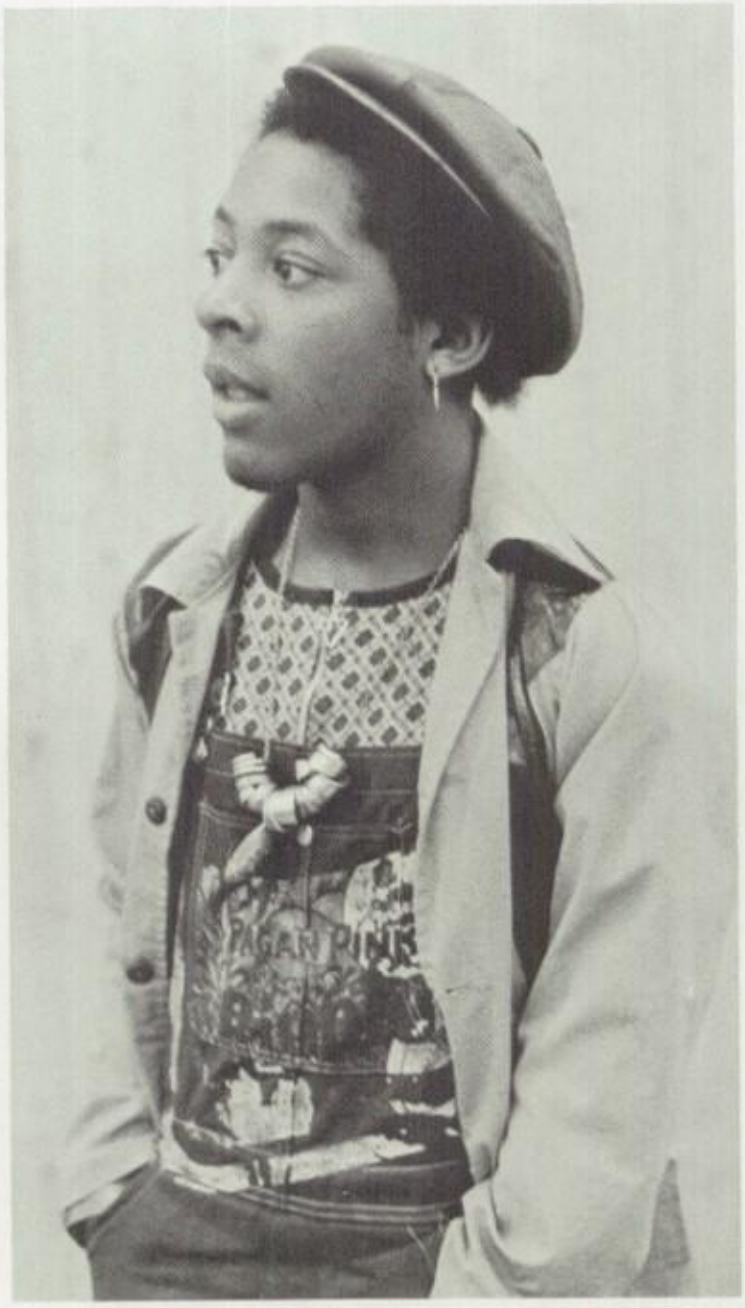
These legs have character.

"You're kidding?"

"This class is a drag!"



"Try a fork."



"Just doin' my own thing."

"Isn't anybody gonna help me get out of here?"

a-s-d-f...j-k-l-;...

"Did you hear about...?"

"Why are we standing here?"

Fatherly???

"Oh, you're such a riot!"

Eye contact

"I wasn't sleeping, just resting my eyes."

'75 Gym Wear

The gang's all here!

"Gimmie some of that funky stuff."

"Of course I did last night's reading, Mrs. Spear."

Education One
FIRST ROW: K. Costolano, D. Chernoff, S. Goldberg, S. McNamara, D. Fish. SECOND ROW: P. Vitali, C. Hogan (Annex Coordinator), R. DiSturco, R. Ladin, R. Teitelman, S. Arrick, P. Wessel, R. Valenti.

The Lee Annex is a school within a school. The Annex is a place where students can participate in alternative education, while still benefiting from the Lee High program.

As an alternative school, the Annex has the same educational goals as Lee High school. However, we use different methods. The Annex operates on three basic principles: 1) curiosity is the motive for learning, 2) self-discovery is the surest method of learning and 3) the only honest measure of success in education is if the knowledge gained in formal lessons can have relevant use after the lessons have ended. These principles are being met in the alternative program that the Annex offers.

Annex

Goodbye LEE ANNEX!
What I take with me,
two thousand students
will come to replace.
They too will learn to love,
to laugh,
to like,
to share unsegregated smiles.

Through your yellow door,
they will find,
a hearty welcome,
a helping hand,
Ceil J. Hogan,
and a chance to expand.

In no other place
will they feel such warmth
as they learn to type,
to photograph,
to dance,
to choose a career;
to edit and publish
LEE ANNEX UNLEASHED,
to read,
to volunteer. . .

They too,
at the end of four short years,
will know the solid rule
That LEE ANNEX is vital
to maturing young adults,
to the strength of student unity,
to the growth of Lee High School.

TO ALL PEOPLE WHO HAVE DIED
IN THE PRIME OF THEIR LIVES

People are dying everyday,
Young and creative,
Who have so much to give to the world.
It seems apart of me
Dies when they do.
Why do they Have to Die?
Why do Healthy, Happy people
Have to Die?

Any man's death diminishes me,
Because I am involved in mankind.

Victories Don't Come Easily

It was a long season for the Mayors, ending with an 0-10 record. Yet there were some bright moments in the season. There was an 8-0 loss to rival Hillhouse, who won on a fluke play which nobody can yet explain. In the Guilford game, although Lee scored on the first play as John Mungo returned a kick off 78 yards Lee lost 28-14.

A closer look shows that Lee had a very young team. The players stuck in there until the final gun, never giving up in their hearts although they were outmanned every game, which is a tribute to the players and coaches.

The future looks bright with many returning players who now have one-year experience under their belts. But for the seniors their football careers at Lee are over. Lee will remember them for their efforts and desire to play. The seniors are Al Martone, who was named to the All District Team, John Mungo, Ronnie Nelson, Keith Dunford, Anthony "Toodles" Eaton, Marlin Jackson, co-captain Larry Nivens and Irving Hatley.

All-District linebacker Martone.

After a brilliant 1974 season the Lee soccer team finished with a record of 6 and 7 then tied Cross for the Mayor's Trophey.

Led by senior co-captains Tyrone Anderson and David Novick the spirited Mayors won six of their first nine games, including two big victories against Hillhouse and Cross, with Scott Geltman recording two shutouts.

The Mayors who suffered from their lack of size and aggressiveness finally had it turned against them as they lost their next four games. This put them out of what seemingly should have been a first in the State Tournament.

Two of the team's bright spots were forward Carlos Calvao and halfback David Novick who were voted to the All-District Team. Calvao compiled seventeen goals, leading the district while Novick's sturdy play earned him the honor for the second year running.

We've Got Our Number . . .

1st ROW: G. Esposito, M. Johnson, C. Hill, T. Ragland, D. Hill (capt.), T. Jackson (capt.), K. Gerowe, S. Hamilton, K. Dalton, E. Thompson. 2nd ROW: E. Qualls (coach), D. Gerowe, (manager), J. Waller, L. King, D. Kittle, A. Hall, M. McCrea, F. Williams, M. Lowman, V. Toney, A. Williams, F. Suggs (manager). J. Crotty (asst. coach).

One of the best and least publicized Lee teams is the Girls Basketball team. This team, under the direction of Edwina Qualls has grown tremendously. Having won a fight in court over both funds and the right to play, the team has won every game in season play during the past two years.

This year the girls finished their season 17-0, having won most of their games by wide margins. Sacred Heart came the closest to beating the Mayorettes with a score of 47-43.

Starting players for the team include: guards Annette Hall, Frances Williams, forwards Karen Gerowe and Tanya Jackson and center Debbie Hill. Providing spark from the bench were Karen Dalton, Brenda Esposito, Sheila Hamilton, Celeste Hill, Margaret McCrea, and Theresa Ragland (Baby Rags).

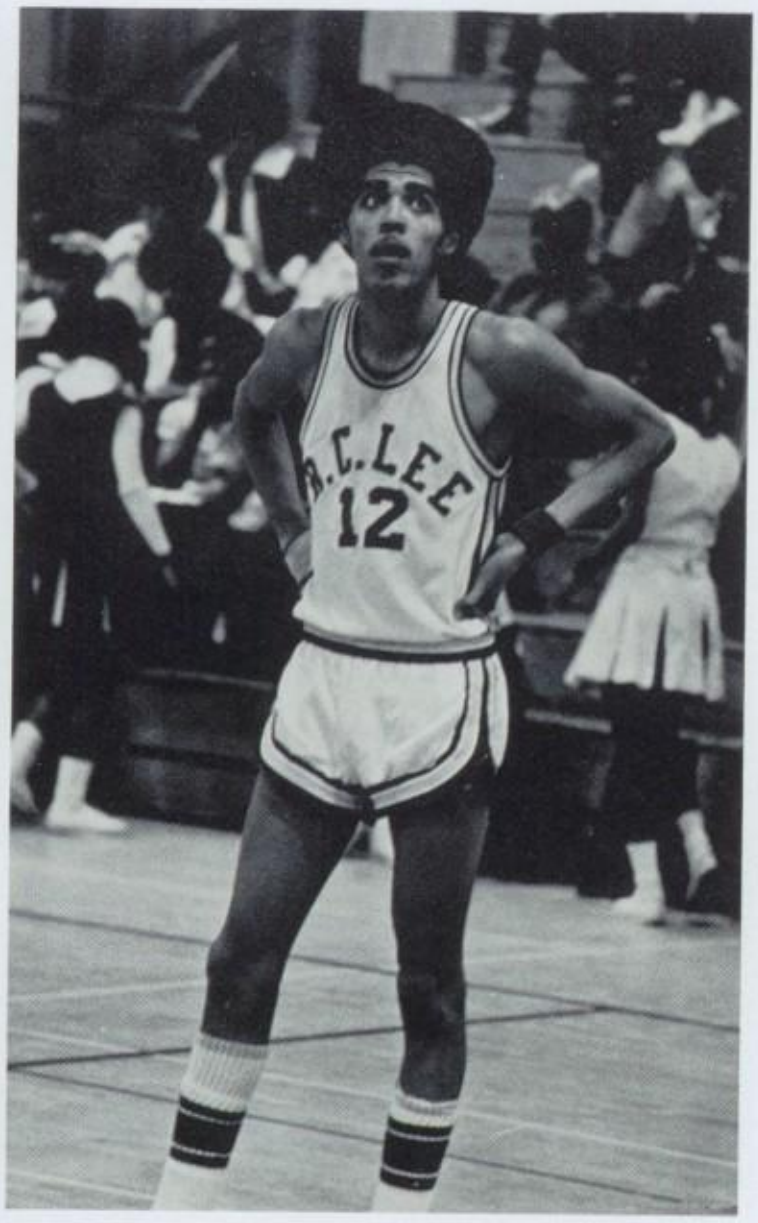
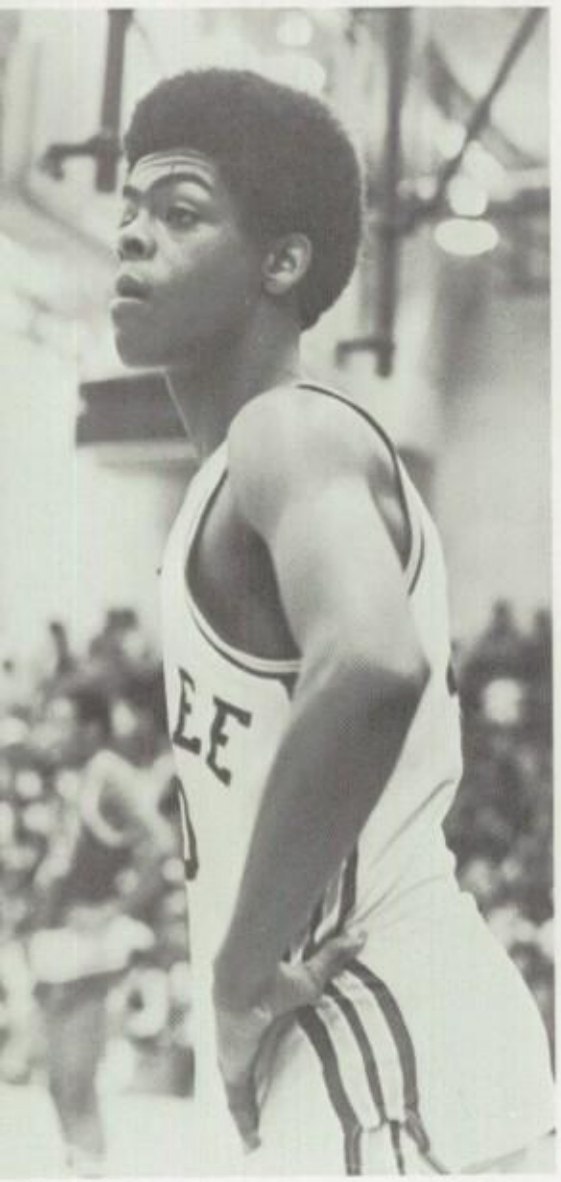
Mayors March To Summit





The Lee male varsity basketball team concluded its season with the most wins ever recorded in a single year. The team began the season by destroying Hamden, Hand and Danbury by an average winning margin of 42 points. During their next four games the Mayors knocked off three unbeatens. Lee's devastating fullcourt press and balanced scoring was too much for both Hillhouse and New London.

In the Q-House Festival the Mayors downed Central of Providence 96-87, ending that school's 45 game winning streak. Then came THE GAME, the Lee-Cross match-up of unbeatens that everyone was waiting for. Despite an early 10 point lead by the Mayors, foul trouble proved costly as Cross cashed in on foul shots to beat the Mayors 88-84. The heart-breaking defeat, however, didn't deter the Mayors from their winning ways. Taking on tough DeWitt Clinton in New York, the Mayors proved they could bounce back by winning 59-57. Next came two exciting overtime wins over Hillhouse and Hamden. These were games in which the Mayors proved they could withstand pressure. The Mayors showed great depth at guard all season long with Captain Keith (Fat Daddy) Snape, Mike (Clyde) Frazier, Ernest (Bunny) Sanders and Ken (Sputnik) Woodson directing Lee's run-and-gun offense. Meanwhile up front there was Gary (Gizzy) Avery, Charles (Sticks) Dubose and Sylvester (Sly) Williams taking care of the rebounding chores. All of the aforementioned are graduating except for Williams and Woodson. Sly and Sputnik will return next season to give the Mayors a one-two scoring punch. Also returning are forwards Alex Howard and Marty Avery.

As Evans prays, the players gaze.

Mermen Retain Mayors Trophy

Despite a rough season in the won-lost column, the Mermen had a successful season in that many new swimmers were developed. Led by senior co-captains Perry Nelson and Hank Webber, the swimmers thrashed Hillhouse to win the Mayor's Trophy. The team looks ahead hopefully to next season, in which all of the '74-'75 swimmers (except for the two co-captains) will return.

High Goals

This year's Lee High hockey team is made up of young and upcoming players, gaining their experience through playing. They have had a tough season with many close games. A predominantly freshman and sophomore team has provided exciting moments during the season. The future of the team looks bright with only four players graduating. Seniors are Captain Al Martone, Assistant Captain Joe Annunziata, Co-Captain Mark Scarpellino and Bruce Felten. Leading scorer was David Tiedemann with 14 goals and 18 assists.

BOTTOM ROW: LEFT TO RIGHT: V. Balboni, J. Palmer, R. Bethea, F. Ortiz, S. Godfrey, B. Sullivan, J. Brown. TOP ROW: G. James, R. Polino, R. Roberson, T. Dawson, D. Mitchell, W. Boynton, L. Boberg, J. Palmer.

Girls' Volleyball

1st ROW: W. Ramos, C. Leonetti, A. Rodriguez, M. Padilla. 2nd ROW: S. Courtmanche, B. Salowitz, F. Suggs, (missing: F. Blue, S. Heimann, I. Casillas, D. Graves, C. Carter).

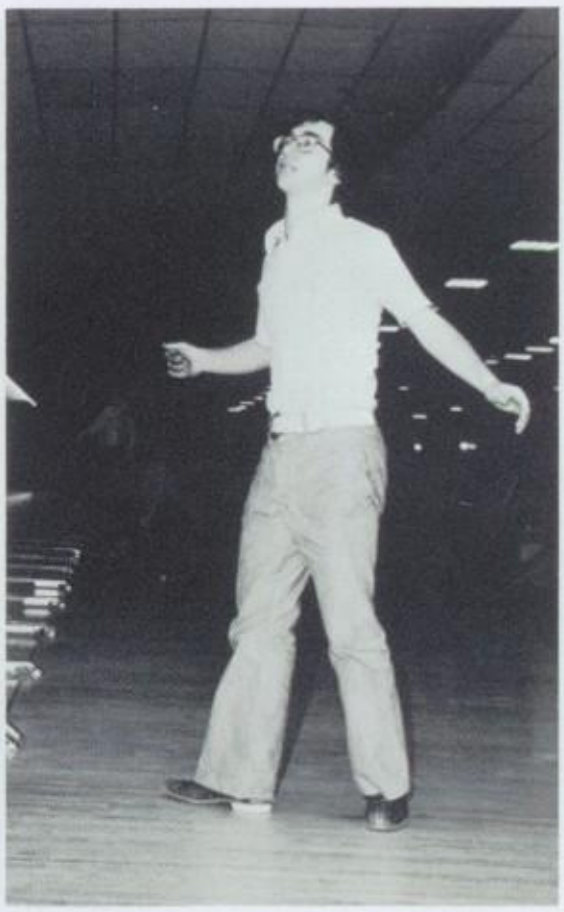
In its third year of competition, the Girl's Volleyball team finished its season with a 4-10 record under coach Diane Winus. Wins came against Hillhouse (2), Cross and Jonathan Law, in addition to a match in the Regional Tournament.

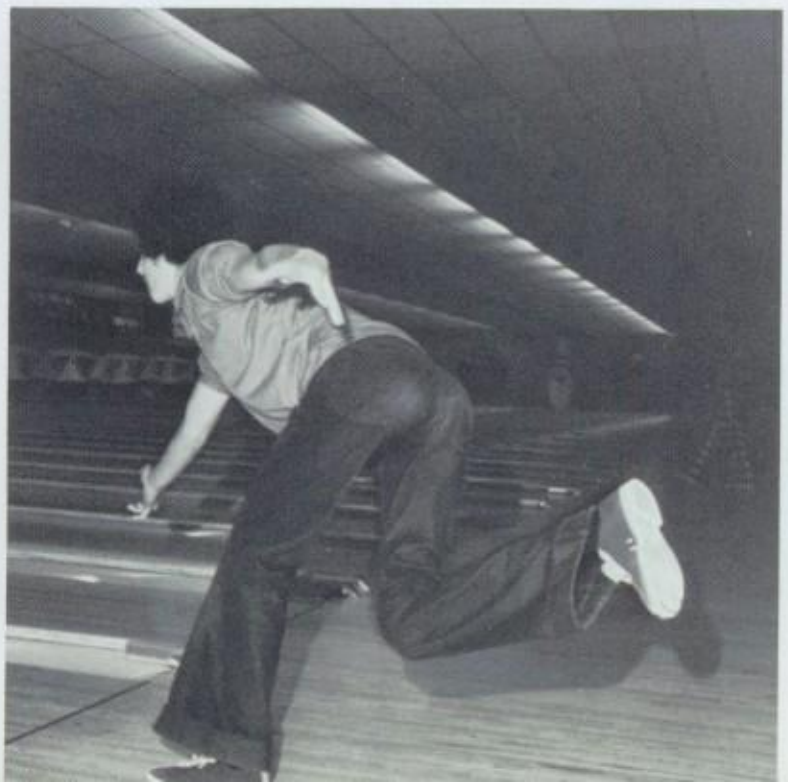
A change of season (from a winter to a fall sport) created problems since the practices began during the summer.

A predominantly underclass team should build up the program in the future. Interest is already running high for next year's team. With the enthusiasm of the many girls who have approached coach Winus about the team, volleyball can look ahead to a very bright future.

Keglers Were Strikingly Good

A. Gorowsky, P. Garland, D. Fleischman (co-captain), A. Sickle, F. Reid, (missing: M. Granoff (co-captain), G. Blitzer, P. Stock, J. Persutti).



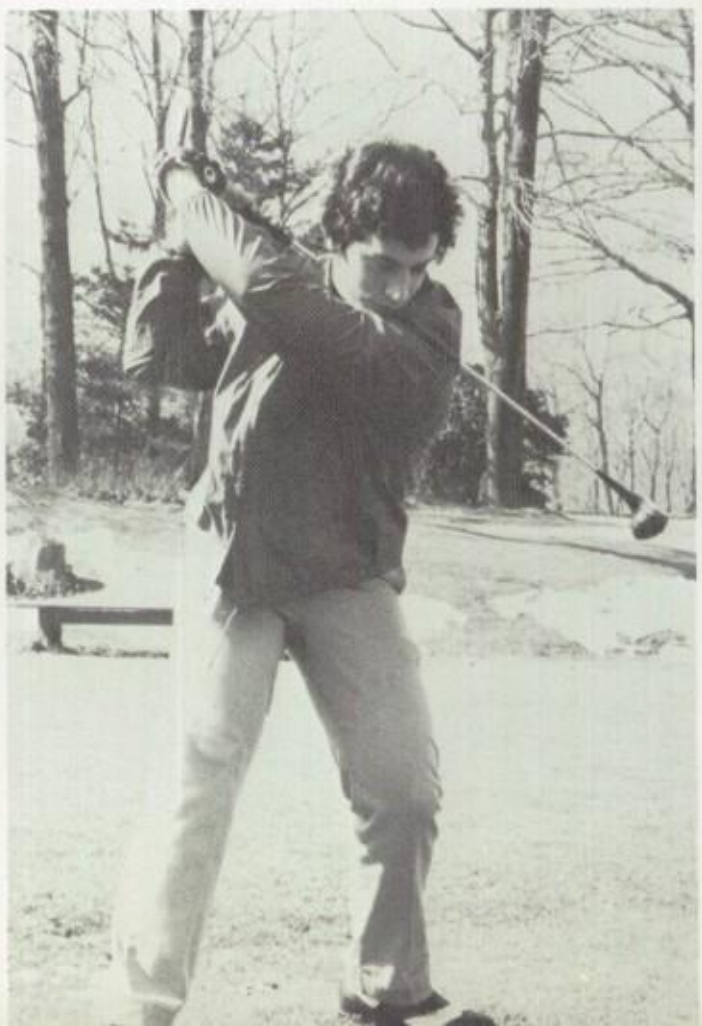


Linksmen Lasso Laurels

Coach R. Severino, S. Kroop, E. Leiderman, A. Deutsch, D. Horowitz, S. Factor.

A trio of veterans led by senior captain Alan Deutsch plus Stuart Factor, and Eddie Leiderman return to the links for their final attempt at the coveted Mayor's Trophy.

First year coach Ralph Severino along with the rest of the squad acknowledge this year's golf team as the best in years. Playing at Alling Memorial Golf Course, the Mayors should have no trouble capturing the Mayor's Trophy and could provide a stiff challenge to perennial powers Hamden and Notre Dame for the District League title. Other team members include Dan Chernoff, Seth Bauer, Steve Kroop and Dave Horowitz.



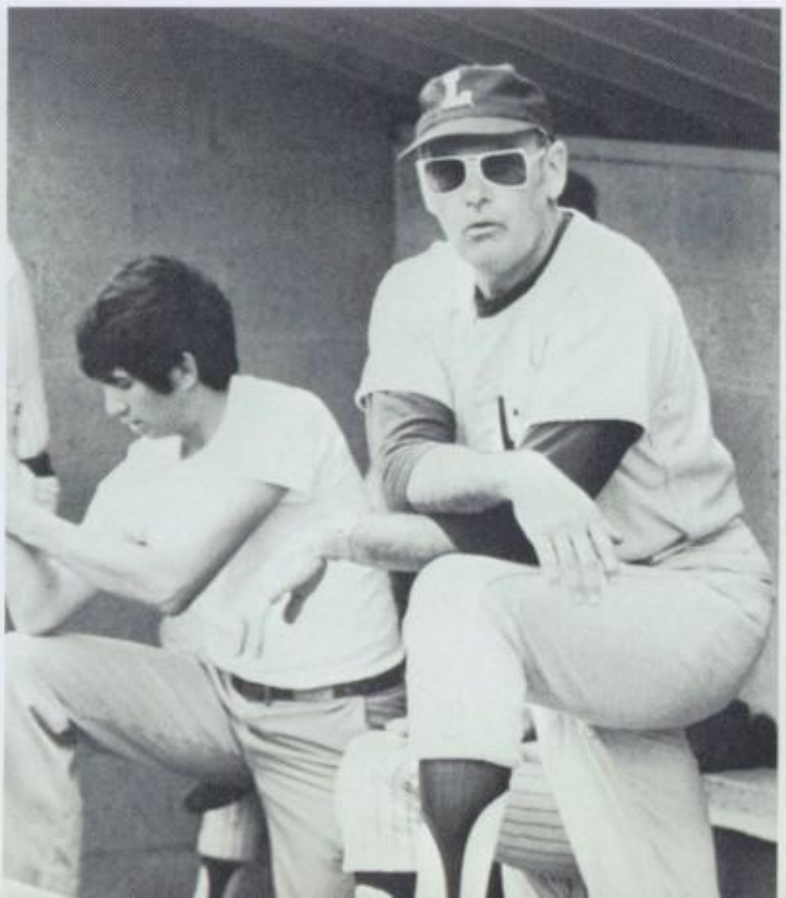
Sluggers Swing For The Fences

1st ROW: N. DeRosa, P. Piersanti, R. Johnson, D. Pittman, C. Ruiz, J. Lucibello, M. Cretella, B. Gambardella (co-captain). 2nd ROW: J. Cretella, M. Lambert, W. Bush, W. Vasquez, Coach H. Noyes, S. Williams, K. Snape (co-captain), M. Scarpellino. 3rd ROW: Asst. Coach Garibaldi, K. Atkins, G. Delapaz, L. Delapaz, R. Lewis, F. Macneil, Asst. Coach D. Prue. 4th ROW: E. Santiago, T. Edwards, D. Monaco, E. Echevarria.

The prospects for this year's baseball team appear bright. A total of 52 students came to the year's first meeting including 15 freshman, a sharp increase in both groups from last year.

This year's team is young and inexperienced. Goals are to capture a fifth straight Mayor's Trophy; qualify for the state tournament; and to develop enough talent to compete with the top teams.

Starting players include: first baseman Billy Gambardello, second baseman Keith Snape, shortstop George Delapaz and third baseman Paul Prirsante. In left field Wayne Bush, centerfield Joe Lucibello and rightfield Pete Corato. Ptichers include Mike Cretello, Sly Williams and Lou Delapaz.



Harriers Hurry Haphazardly

BOTTOM ROW: LEFT TO RIGHT: V. Balboni, J. Palmer, R. Bethea, F. Ortiz, S. Godfrey, B. Sullivan, J. Brown. TOP ROW: G. James, R. Roberson, T. Dawson, D. Mitchell, W. Boynton, L. Boberg, J. Palmer.

This year's Cross-Country team, the first ever at Lee, was successful in every way but one, winning. The team, despite its 0-6 record, was competitive in every match. Led by co-captains senior Greg James and junior Rafael Rivera, the team was just one man away from winning each match. Coach Ken Reynolds, though, was very pleased with his team's desire and constant hustle, and he hopes for a complete turnaround next year.

"In order for our team to win next year," Reynolds explained, "three men will have to finish among the top five instead of two as we had this year when we lost by such slim margins."
